ASSIGNMENT

Pharmaron, Inc., having a principal place of business at 201 E. Jefferson Street, Suite #304, Louisville, Kentucky 40202 with a mailing address at 6 Venture, Suite 250, Irvine, California 92618, hereby assigns to Cydan Development, Inc., having a place of business at 700 Technology Square, 3rd Floor, Cambridge, Massachusetts 02139, and its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title and interest throughout the world in any and all inventions and improvements which are described in the applications listed in the attached Appendix A.

This assignment includes the entire right, title and interest in said applications, all legal equivalents thereof in any country, any and all United States and foreign patents, utility models, and design registrations granted for any of said inventions and improvements, including, but not limited to, all divisions, continuations, reissues, reexamination certificates, any and all certificates issued in any post-grant proceeding, and extensions of said applications and patents of the United States, foreign patents, utility models, and design registrations, and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes, and the right to seek relief and recover all damages, including, but not limited to, a reasonable royalty, by reason of infringement or any other violation of patent or patent application rights. I authorize the Assignee to apply in all countries in any name or in name of the Assignee for patents, utility models, design registrations and like rights of exclusion and for inventor's certificates for said inventions and improvements.

The foregoing assignments, sale and transfer have been made for good and valuable consideration, the receipt of which is hereby acknowledged.

The undersigned is an officer of and is empowered to execute this assignment of behalf of Pharmaron, Inc.
