ASSIGNMENT OF INVENTION AND PATENT RIGHTS**Inventor/Assignor:** GROEBNER, Helmut**Assignee:** KTM AG**U.S. Patent App. Serial No. 16/758,370**

For valuable consideration received or to be received, and hereby acknowledged, Helmut Groebner, of Waging am See, Germany (hereinafter referred to as "Inventor"), hereby sells, assigns and transfers unto KTM AG (hereinafter referred to as "Assignee"), whose address is Stallhofnerstrasse 3, A-5230 Mattighofen, Austria, all his entire rights and interest for the United States of America, including all rights of priority under the international conventions and treaties, in and to a certain invention or improvement known as "Motorcycle Seat Assembly" as described and claimed in U.S. Patent Application Serial No. 16/758,370 filed in the United States Patent and Trademark Office on 22 April 2020, and in all Letters Patent of the United States which may or shall be granted on said invention, or any parts thereof, or on said application, or on any divisional, continuation, continuation-in-part, reissue, reexamination or other applications based in whole or in part thereon.

Inventor agrees hereafter to execute all applications, amended specifications, deeds or other instruments, and to do all acts necessary or proper in the Assignee's discretion to secure to the Assignee the grant of Letters Patent in the United States as the Assignee may determine in its discretion, with specifications and claims in such form as shall be approved by the Assignee, and to vest and confirm in the Assignee the legal and equitable title and full use and benefit of said invention and patent applications.

Inventor further agrees with Assignee that this Assignment covers all processes, specifications, procedures, techniques and other knowledge and information now or hereafter known to Inventor which are not in the public domain and which relate directly to the subject matter of the above-mentioned patent application, or the manufacture, uses or embodiments, of the invention. Inventor agrees to disclose or provide all related know-how to Assignee upon request.

Inventor further covenants that he will, upon Assignee's request, provide promptly to the Assignee all pertinent facts and documents relating to said patent application and any

patents issuing therefrom, including legal equivalents in foreign countries, as may be known and accessible to Inventor. Inventor will promptly execute and deliver to the Assignee or its legal representative(s) any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce said patent application, and said invention, and any equivalents thereof in any foreign country which may be necessary or desirable to carry out the purposes thereof.

As used herein, the terms "Inventor" and "Assignee" shall include such parties and their heirs, administrators, estates, successors and assigns of every kind.

Inventor hereby authorizes and requests the Director of the United States Patent and Trademark Office, to issue such Letters Patent as shall be granted on or corresponding to the above-referenced patent application (or applications based thereon) to the Assignee.
