## ASSIGNMENT

WHEREAS, I, Derek Hughes, resident of the State of Utah, whose postal mailing address is 871 East 2nd Avenue, Salt Lake City, UT 84103 (hereinafter "Assignor") am the owner of all right, title and interest in the invention entitled **COMBINATION DIGGING DEVICE AND HEAD REST** for which an application for United States Letters Patent was filed on November 15, 2019 as THORPE NORTH & WESTERN L.L.P. Docket No. 4429-001.NP, and given U.S. Patent Application Serial No. 16/684,704, AND for which an application for United States Design Letters Patent was filed on April 22, 2020, as THORPE NORTH & WESTERN L.L.P. Docket No. 4429-001.DES, and given U.S. Patent Application Serial No. 29/732,184; (Thorpe North & Western, LLP is hereby authorized to insert the specified data, when known) and;

WHEREAS, Sand Lounger LLC a limited liability company organized and existing under the laws of the State of Utah, having a business address of 871 East 2nd Avenue, Salt Lake City, UT 84103 (hereinafter "Assignee"); is desirous of acquiring Assignor's entire right, title, and interest in the same;

NOW, THEREFORE, in consideration of one dollar (\$1.00) and other good and valuable consideration paid to me by the Assignee, the receipt and sufficiency whereof is hereby acknowledged, I the said Assignor, hereby grant and assign unto the said Assignee, my entire right, title and interest in said inventions and in all patent applications based thereon, including but not limited to the above identified United States Patent Applications and in all provisionals, divisions, continuations, and continuations-in-part of said applications, or reissues or extensions of Letters

Patent or Patents granted thereon, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and foreign countries; the right, power and authority to file and prosecute U.S. and foreign patent applications on said invention, and to do so in its own name wherever such right may be legally exercised, and including the right to claim the priority and benefits of the International Convention for such applications; and the right to bring actions for infringement of any right in said invention in its own name, including past infringement, in any jurisdiction.

I hereby authorize and request the United States Commissioner of Patents and Trademarks, and such Patent Office officials in foreign countries as are duly authorized by their patent laws to issue patents, to issue any and all Letters Patent on said invention to the said Assignee as the owner of my entire interest, for the sole use and behoof of the said Assignee, its successors, assigns, heirs, and legal representatives, to the full end of the term for which said Letters Patent and any reissues or extensions thereof may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made.

I hereby agree, without further consideration and without expense to me, to sign all lawful papers and to perform all other lawful acts which the Assignee may request of me to make this Assignment fully effective, including, by way of example but not of limitation, the following: prompt execution of all original, divisional, substitution, reissue, and other United States and foreign patent applications on said invention, and all lawful documents and instruments as requested by the

Assignee to further the prosecution of any of such patent applications; and cooperation to the best of my ability including, but not limited to, the execution of all lawful documents and instruments and the production of evidence in any actions or proceedings concerning the invention, including, but not limited to, interference, nullification, reissue, extension, infringement proceedings and litigation involving said invention.

This assignment and agreement shall be binding upon assigns, successors, heirs and legal representatives of Assignor and Assignee.

Executed this 22 day of June, 2020 at Salt Lake City, UT (City, State).
