**2. First Directors**

The contents of the written resolutions of the subscriber to the Company's memorandum and articles of association, pursuant to which the first Directors have been appointed, are duly noted. It is further noted that the Directors had accepted their respective appointments on the basis that the indemnity in the articles of association of the Company would be deemed to form part of their service contract and or terms of appointment with the Company and accordingly that they would be able to enforce such indemnity, if necessary, against the Company.

- (b) the requirements imposed upon companies which are exempted from the primary obligations of the Beneficial Ownership Regime.

  - (ii) the Company to be required to file an updated Written Confirmation with its corporate services provider in the Cayman Islands; and
  - (iii) any Director, officer or agent of the Company be authorised to take such action as he/she deems necessary for the purposes of responding to requests for information from or on behalf of Cayman Islands entities in connection with the Beneficial Ownership Regime.
