ARTICLE II

Conveyances

2.1 Conveyance. Misfit hereby grants, bargains, sells, conveys, assigns, transfers and delivers all of the Assets to Fossil, and Fossil hereby accepts such Assets at and as of the Effective Date of this Agreement. The Assets are conveyed by Misfit to Fossil and its successors and assigns to and for their own use, together with all rights and appurtenances related thereto.

2.2 Third Party Consent. If the conveyance and assignment attempted to be made hereunder of any Asset would be ineffective as between Misfit and Fossil without the consent of any third person, or would serve as a cause for terminating or invalidating any Asset or would cause or serve as a cause for the loss of ownership thereof, then such Asset is temporarily excluded from the aforesaid conveyance and assignment. However, Misfit shall, to the fullest extent permitted hold such Asset for the exclusive use and benefit of Fossil until such consent has been obtained. Upon the obtaining of such consent, no further conveyance or assignment shall be required, but full and complete title to such Asset shall automatically become vested in Fossil by virtue of this Agreement.

ARTICLE III

Assumption of Liabilities

As consideration for the grant, bargain, sale, conveyance, assignment, transfer and delivery made under this Agreement and for any conveyances, assignments, transfers and deliveries to be made by Misfit to Fossil hereunder, Fossil hereby assumes and agrees to perform and fully discharge all of the Liabilities. Fossil hereby agrees to indemnify, defend and hold harmless Misfit, and any and all of their respective successors and assigns, from and against any and all costs, liabilities and expenses, including court costs and attorneys fees, arising from or connected with the Liabilities hereby assumed.

ARTICLE IV

Warranties

ALL SALES, CONVEYANCES, ASSIGNMENTS, TRANSFERS AND DELIVERIES TO BE MADE HEREUNDER WILL BE MADE WITHOUT REPRESENTATION OR WARRANTY OF ANY KIND (INCLUDING, WITHOUT LIMITATION, ANY REPRESENTATION OR WARRANTY OF TITLE). ALL ASSETS, RIGHTS AND BUSINESSES TO BE SOLD, CONVEYED, ASSIGNED, TRANSFERRED AND DELIVERED HEREUNDER WILL BE SOLD, CONVEYED, ASSIGNED, TRANSFERRED AND DELIVERED "AS IS", AND MISFIT DISCLAIMS ANY WARRANTIES OF CONDITION, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. This Agreement is made, however, with full rights of substitution and subrogation of Fossil in and to all covenants, warranties and other rights of indemnification by others heretofore given or made with respect to any of the Assets.

ARTICLE V

Sales Taxes and Recording Fees

The parties agree that Fossil shall pay all sales, use and similar taxes arising out of the sales, conveyances, assignments, offers and deliveries to be made hereunder, and shall pay all documentary, filing and recording fees required in connection therewith.

ARTICLE VI

Further Assurances

From time to time after the date hereof, and without any further consideration, Misfit will execute and deliver such instruments of conveyance, assignment, transfer and delivery, and take such other action, as Fossil may reasonably request in order to more effectively vest in Fossil beneficial ownership and record title to the Assets to be conveyed and assigned hereunder or intended so to be and to put Fossil in actual possession and operating control of such Assets. After the date hereof, Misfit agrees to use its best efforts to obtain, without additional cost to Fossil, any and all consents and approvals that may be necessary to vest or confirm title to all the Assets in Fossil.

ARTICLE VII

Power of Attorney

Misfit does hereby constitute and appoint Fossil and its successors and assigns, the true and lawful agent and attorney-in-fact of Misfit, as appropriate, with full power of substitution for it and in its name, place and stead or otherwise on behalf of Misfit, as appropriate, and their respective successors and assigns, and for the benefit of Fossil and its successors and assigns, to demand and receive from time to time any and all Assets hereby conveyed and assigned or intended so to be and to execute in the name of Misfit, as appropriate, and their respective successors and assigns, any and all deeds, assignments and other instruments of further assurance and to give receipts and releases in respect of the same, and from time to time to institute and prosecute in the name of Fossil or Misfit, as appropriate, for the benefit of Fossil as may be appropriate, any and all proceedings at law, in equity or otherwise, which Fossil, its successors and assigns may deem proper in order to collect, assert or enforce any claims, rights or title of any kind in and to the Assets hereby conveyed and assigned or intended so to be, and to defend and compromise any and all actions, suits or proceedings in respect of any of said Assets and to do any and all such acts and things in furtherance of this Agreement as Fossil, its successors or assigns, shall deem advisable.
