ASSIGNMENT

Whereas, I, Brian Hausman of Houston, Texas have invented “**System and Method for Toll Transactions Utilizing a Distributed Ledger**” for which I filed a Non-Provisional Patent Application with the United States Patent and Trademark Office having the Application No. 15/836,846 on December 9, 2017; and

Whereas, Hausman Properties, LLC, a limited liability company, having a place of business at 2221 W Dallas St., Apt 133, Houston, Texas 77019-4270 is desirous of acquiring an interest therein;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, Assignor, do hereby sell, assign, transfer, set, and convey over to Hausman Properties, LLC, Assignee, its successors and assigns, the full and exclusive right, title and interest for the United States of America, and its territorial possessions and for any and all foreign countries, in and to said invention, in and to any and all improvements, and any divisional, continuing or reissue applications based on the present applications preparatory to obtaining Letters Patent of the United States therefor, including any and all rights to claim priority to the present applications; said invention, applications and any and all Letters Patent issuing therefor to be held and enjoyed by Hausman Properties, LLC for its own use and behoove, and for its legal representatives, successors and assigns, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by me and had this assignment and sale not been made.

And I do further agree to sign all papers, make all rightful oaths and do all requisite acts for the filing of any disclaimer or for the filing and assignment of any divisional, continuing or reissue application or applications for patent based on the present application, as well as for any other U.S. or foreign application for patent which relates to the said invention.

And I do further agree to communicate to Hausman Properties, LLC, its successors, assign or other legal representatives, such facts relating to the invention disclosed in the present application or Letters Patent issuing thereon as may be known to me, and to testify as to such facts in any interference or other litigation.

Executed this 19 day of May, 2020.

Brian Hausman
