ASSIGNMENT

WHEREAS, I, **Thomas Afshari**, having a place of residence at **517 E. Mineral Road, Phoenix, Arizona 85042** (hereinafter "ASSIGNOR"), became an inventor and obtained full and exclusive right, title and interest in the invention or inventions which are described in:

International Application No. PCT/US15/33776, filed on **June 2, 2015**, entitled
Linear Actuator Assembly and System;

WHEREAS, **Project Phoenix, LLC**, having a place of business at **1725 S. Country Club Drive, Mesa, Arizona 85210** (hereinafter "ASSIGNEE"), is desirous of acquiring the entire right, title and interest in and to the invention or inventions, the application(s), and any and all Letters Patent or similar legal protection, to be obtained therefore in the United States and its territorial possessions and in any and all foreign countries;

NOW, THEREFORE, in view of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I confirm that I have sold, assigned and transferred, as of the filing date of the above-identified Application, unto said ASSIGNEE, the full and exclusive right, title and interest in and to, and, by these presents, do sell, assign and transfer unto said ASSIGNEE any remaining right, title and interest in and to (a) said invention or inventions in the United States and its territorial possessions and in any and all foreign countries, (b) the above-identified application, any and all foreign or domestic application(s) related or claiming priority to said application(s), (c) any and all Letters Patent which may be granted from said applications in the United States and its territorial possessions and in any and all foreign countries thereto, (d) any and all divisions, continuations, substitutions, renewals and reissues thereof, and (e) the right to claim for any of said applications the full benefits and priority rights under the Paris Convention and any other international conventions, treaties, or agreement as applicable.

I hereby authorize and request the Patent Office Officials in the United States and its territorial possessions and in any and all foreign countries to issue any and all of said Letters Patent, when granted, to said ASSIGNEE as the assignee of my entire right, title and interest in and to the same, for the sole use and behoof of said ASSIGNEE and said ASSIGNEE's successors and assigns, to the full end of the term or terms for which said Letters Patent may be granted, as fully and entirely as the same would have been held by me had this Assignment and sale not been made.

Further, I agree that I will (a) communicate to said ASSIGNEE or said ASSIGNEE's representative any facts and information known or available to me respecting said invention or inventions including evidence for interference, reexamination, reissue, opposition, revocation, extension, or infringement purposes or other legal, judicial, or administrative proceedings, whenever requested by ASSIGNEE, and (b) testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, substitute, renewal and reissue applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to said ASSIGNEE, make all rightful oaths, and, generally, do everything possible to aid said

ASSIGNEE, and said ASSIGNEE's successors and assigns, to obtain and enforce proper protection for said Invention in the United States and its territorial possessions and in any and all foreign countries.

The undersigned hereby grants ASSIGNEE or said ASSIGNEE's representative, the power to insert on this Assignment any further identification, including the application number and filing date, which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
