ASSIGNMENT

For good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, We, the undersigned **Michael Lee Nuccio**, a citizen of the United States, having a mailing address of One Kendall Square, Building 600/700, Suite 7-501, Cambridge, MA 02139; **Davide Sosso**, a citizen of the United States, having a mailing address of One Kendall Square, Building 600/700, Suite 7-501, Cambridge, MA 02139; **Tomáš Čermák**, a citizen of Slovakia, having a mailing address of One Kendall Square, Building 600/700, Suite 7-501, Cambridge, MA 02139 and **David J. Segal**, a citizen of the United States, having a mailing address of One Kendall Square, Building 600/700, Suite 7-501, Cambridge, MA 02139; hereinafter referred to as said Assignor(s), hereby:

Sell, assign and transfer to **Inari Agriculture, Inc.**, a Delaware corporation having a place of business at One Kendall Square, Building 600/700, Suite 7-501, Cambridge, MA 02139, its successors, assigns and legal representatives, all hereinafter referred to as said Assignee, the entire right, title and interest for the United States and all foreign countries, in and to any and all inventions which are disclosed in an application for Letters Patent filed in the United States Patent and Trademark Office on:

April 9, 2020

ENTER FILING DATE ABOVE

under Application Serial No.

US 16/844,438

and

Entitled **Plant Transformation**

and in and to said application and any application that is based in whole or in part on said application, including any divisional, continuing, substitute, renewal, reissue, reexamination and other applications, for example applications that claim priority to said application, that have been or may be filed in the United States or elsewhere in the world; all patents (including reissues and re-examinations) that may be granted on said any and all applications set forth herein; and all right of priority in said application and in any underlying provisional or foreign application, together with all rights to recover damages for infringement of provisional rights;

Appoint, authorize and request the attorneys appointed in said application to hereafter complete this assignment by inserting in the spaces provided above the filing date and serial number of said application when known;

Agree that said Assignee may apply for and receive Letters Patent for said any and all inventions in its own name; and when requested, without charge to but at the expense of said Assignee, I agree to carry out in good faith the intent and purpose of this assignment, by executing all divisional, continuing, substitute, renewal, reissue, and all other patent applications on said any and all inventions, by executing all rightful oaths, assignments, powers of attorney and other papers, by communicating to said Assignee all facts known to relating to said any and all inventions and the history thereof, to cooperate to the best of the ability of Assignor(s) in the matters of preparing and executing any petition, affidavit, or other document relating thereto and

giving and producing evidence in support thereof in the event of any application or Letters Patent assigned herein becoming involved in any derivation proceeding, interference, or third party challenge, and generally by doing everything reasonably possible which said Assignee shall consider desirable for aiding in securing and maintaining proper patent protection for said any and all inventions and for vesting title to said any and all inventions and all applications for patents and all patents on said inventions, in said Assignee;

Request the Honorable Commissioner of Patents and Trademarks to issue said Letters Patent to said Assignee; and

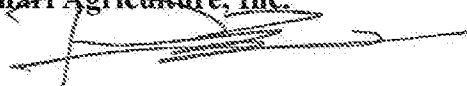

Covenant with said Assignee that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by me and that full right to convey the same as herein expressed is possessed by me.

Said Assignee does hereby acknowledge and accept the above sale, assignment and transfer of all the rights, title and interest enumerated above, including but not limited to the right to priority and the right to sue for past infringement.
