ASSIGNMENT

WHEREAS, NITTO DENKO CORPORATION, having an address of 1-2, Shimo-hozumi 1-chome, Ibaraki-shi, Osaka, Japan, 567-8680, ("Assignor") own and hold the right, title and interest in, to and under the invention for which an application for United States Letters Patent was filed on December 6, 2013, and identified by United States Serial No. 14/124,476, now U.S. Patent No.: 9,709,084, entitled, CLIP AND ELASTIC BODY ATTACHMENT COMPONENT; and

WHEREAS, Newfrey LLC., having an address of 1207 Drummond Plaza, Newark, DE USA 19711, ("Assignee"), is desirous of acquiring the entire right, title and interest in and to said invention, and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefore;

**NOW, THEREFORE**, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign, transfer and set over unto Assignee, its legal representatives, successors and assigns, the entire right, title and interest in and to said invention, including the full right to claim for any such application all benefits and priority rights under any applicable convention and the right to sue for past or future infringement, as set forth in the above-mentioned application, including any continuations, continuations-in-part, divisions, reissues, re-examinations or extensions thereof, and in and to any and all patents of the United States and foreign countries which may be issued for said invention;

**UPON SAID CONSIDERATION**, Assignor hereby agrees with the said Assignee that Assignor will not execute any writing or do any act whatsoever conflicting with this sale, assignment or transfer, and that Assignor will, at any time upon request, without further or additional consideration but at the expense of said Assignee, assist Assignee in every way to obtain and execute such additional assignments and other writings and do such additional acts as said Assignee may deem necessary or desirable to enforce patents, copyrights, and other rights or registrations on this invention, in order to perfect the Assignee's enjoyment of this grant, and to render all necessary assistance in making application for and obtaining original, divisional, continuations, continuations-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements, declarations, and other affidavits, it being understood that the foregoing covenant and agreement shall bind Assignor, their legal representatives, successors and assigns, and inure to the benefit of said Assignee, its legal representatives, successors and assigns;

The undersigned hereby grants the firm of **EDWARDS NEILS PLLC** the power to insert on this Assignment any further identification, including the application number and filing date, which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

**AND** Assignor request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said Assignee, its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patent and the invention covered thereby.
