Patent Assignment

This Patent Assignment (this "Assignment"), is made on January 8, 2009 by SPARQ, Inc., an Oregon corporation, having an office at 411 NW 13th Avenue, Portland, OR 97209 ("Assignor"), in favor of NIKE, Inc., an Oregon corporation, having a place of business at One Bowerman Drive, Beaverton, OR 97005 ("Assignee").

WHEREAS, Assignor is the owner of all right, title and interest in and to the patent applications listed on attached Schedule 4.13.4(a) ("Patents").

WHEREAS, for good and valuable consideration, Assignor has agreed to sell, convey, assign and transfer to Assignee all of its right, title and interest in and to the Patents;

WHEREAS, Assignee desires to acquire all right, title and interest Assignor may have in and to the Patents; and

WHEREAS, the parties wish to execute this Assignment for purposes of transferring the Patents pursuant to the Agreement and to allow Assignee to file this Assignment with the United States Patent and Trademark Office and all applicable foreign intellectual property offices, as may be necessary to effectuate the assignment and transfer of the Patents from Assignor to Assignee.

NOW, THEREFORE, for valuable consideration, the receipt of which is hereby acknowledged, Assignor agrees as follows:

1. For good and valuable consideration, including consideration previously transferred, the receipt and sufficiency of which are hereby acknowledged, Assignor has sold, assigned and transferred, and by these presents does hereby sell, assign and transfer unto Assignor, its successors and assigns, the full and exclusive right, title and interest, throughout the world, in, to and under said invention as fully set forth and described in the above-identified applications of the Patents; in, to and under said applications; in, to and under any and all refilings, divisions and continuations of said application; in, to and under any and all letters patents of the United States of America which may issue from said applications, refilings, divisions and continuations; in, to and under any and all reissues of said letters patents of the United States of America; in, to and under any and all applications for letters patents upon said inventions which may hereafter be filed in any and all countries foreign to the United States of America; in, to and under any and all refilings, divisions and continuations of said foreign-filed applications; in, to and under any and all letters patent of countries foreign to the United States of America, which may issue from the said foreign-filed applications, refilings, divisions and continuations; and in, to and under any and all extensions of, and additions to, said letters patent of countries foreign to the United States of America, the same to be held and enjoyed by Assignee, for its own use and behoof, and for its successors, legal representatives and assigns, to the full end of the term for which said letters patents may be granted, and Assignee does

Execution Copy

hereby authorize and request the Commissioner of Patents to issue the said letters patents in accordance with this assignment.
