PATENT ASSIGNMENT

WHEREAS, **MP Global Products, L.L.C.**, a Limited Liability Company of the State of Nebraska, having its principal place of business at 2500 Old Hadar Road, Norfolk, Nebraska 68702, (hereinafter "Assignor") is the owner of the U.S. Patent Application entitled **REPULPABLE CONTAINER**, filed in the United States Patent and Trademark Office on May 16, 2019, bearing Serial No. 16/414,309, and listing as inventor(s): **Alan B. Collison and Reid Borgman** (the "Application");

WHEREAS, **Pratt Retail Specialties, LLC**, a Limited Liability Company of the State of Delaware, having its principal place of business at **1800-C Sarasota Parkway, Conyers, Georgia 30013**, (hereinafter "Assignee") is desirous of acquiring all interests in the Application;

NOW, THEREFORE, for and in consideration of good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor:

(1) sells, assigns and transfers unto Assignee, the full, exclusive and entire right, title and interest: (i) in and to the Application and any resulting Patent, (ii) in and to all right to sue, counterclaim, and recover for past, present, and future infringement of the rights assigned or to be assigned under this Agreement, including all income, royalties, damages and payments now or hereafter due or payable with respect thereto, and to all causes of action (either in law or in equity); and (iii) in and to the right to claim any applicable foreign and domestic priority rights arising from the Application; and Assignor hereby requests the Commissioner of Patents to issue any and all Patents of the United States resulting from the Application, or from a division, continuation, continuation-in-part, or reissue thereof, in the name of Assignee, for its interest and for the sole use and behoof of Assignee and its assigns and legal representatives;

(2) sells, assigns and transfers to Assignee the full, exclusive and entire right, title and interest in and to any foreign patent applications claiming priority to said Application, in whole or in part, in countries other than the United States, in and to any Patents and similar protective

AC

rights granted on said foreign applications, and in and to the right to claim any applicable priority rights arising from or required for said foreign applications under the terms of any applicable conventions, treaties, statutes, or regulations; said foreign applications to be filed and issued in the name of Assignee or its respective designees, insofar as permitted by applicable law; and

(3) agrees to sign all lawful papers, such as assignments and rightful oaths, in connection with the Application and any divisional, continuation, continuation-in-part, or reissue of the Application.
