entered into an Assignment of United States Patent dated September 1, 2019, of the inventions as described and claimed in the United States design patent applications listed in Annex I of this agreement ("inventions");

ASSIGNOR and ASSIGNEE wish to execute this Confirmatory Assignment for recordation with the U.S. Patent and Trademark Office to establish that ASSIGNEE is the applicant and patentee for the inventions;

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, ASSIGNOR does hereby confirm having sold, assigned and transferred unto said ASSIGNEE, the entire right, title and interest in and to said inventions, said applications and any and all letters patents which may be granted for said inventions in the United States of America and its territorial possessions including any extensions or adjustments in term thereof and in any and all foreign countries, and in any and all divisions, reissues and continuations thereof, including the right to file foreign applications directly in the name of ASSIGNEE and to claim priority rights deriving from said United States applications to which said foreign applications are entitled by virtue of international convention, treaty or otherwise, and including the right to sue and collect damages for past and present infringement of said letters patents; said inventions, applications and all letters patents on said inventions to be held and enjoyed by ASSIGNEE and its successors and assigns for their use and benefit and of their successors and assigns as fully and entirely as the same would have been held and enjoyed by ASSIGNORS had this assignment, transfer and sale not been made. ASSIGNORS hereby authorize and request the Commissioner of Patents and Trademarks to issue all letters patents on said inventions to ASSIGNEE. ASSIGNORS agree to execute all instruments and documents required for the making and prosecution of applications for United States and foreign letters patent on said inventions, for litigation regarding said letters patents, or for the purpose of protecting title to said inventions or letters patents therefor.
