ASSIGNEE: NLS Lighting, LLC

701 Kingshill Place
Carson, CA 90746
A **California** limited liability company

In consideration of the payment by ASSIGNEE to ASSIGNORS of the sum of One Dollar (\$1.00) and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, ASSIGNORS hereby transfer to ASSIGNEE, its successors and assigns, ASSIGNORS' entire world-wide right, title, and interest in the Invention entitled **HIGH MAST LIGHTING SYSTEM** corresponding to a U.S. utility patent application filed on **July 8, 2020** [the undersigned Assignors authorize Michael S. Doll, Esq. of Advantage IP Law Firm to fill in the filing date once known] and assigned **U.S. Serial No. 16/923,923** [the undersigned Assignors authorize Michael S. Doll, Esq. of Advantage IP Law Firm to fill in the serial number once known], including any provisionals, non-provisionals, divisionals, continuations, continuations-in-part, and improvements thereof, and in all Letters Patent of the United States and legal equivalents in countries foreign thereto which may be granted or have been granted for the Invention and improvements thereof, and in all reissues, re-examinations, renewals, or extensions thereof, and in all rights to claim the benefit of priority, Convention rights, and other benefits accruing to the ASSIGNORS with respect to the filing of applications for patents or securing of patents of the United States or legal equivalents in countries foreign thereto.

This Assignment includes the right in and to all income, royalties, damages and payments now or hereafter due or payable with respect to any Letters Patent and legal equivalents in foreign countries thereto which may be granted or have been granted for the Invention or improvements thereof, and in and to all causes of action (either in law or in equity), and the right

to sue, counterclaim, and recover for past, present, and future infringement of the rights assigned or to be assigned under this Assignment, as fully and entirely as the same would have been held and enjoyed by the ASSIGNORS if this Assignment had not been made.

ASSIGNORS represent that they are the sole co-owners of the entire right, title, and interest in the Invention identified-above and disclosed and claimed in the application for Letters Patent filed on **July 8, 2020** [the undersigned Assignors authorize Michael S. Doll, Esq. of Advantage IP Law Firm to fill in the filing date once known] and assigned **U.S. Serial No. 16/923,923** [the undersigned Assignors authorize Michael S. Doll, Esq. of Advantage IP Law Firm to fill in the serial number once known] and believe that no assignment, sale, agreement, or encumbrance has been or will be made or entered into which would conflict with this assignment.

ASSIGNORS further covenant that ASSIGNEE will, upon request, be provided promptly will all pertinent facts and documents relating to the invention and the Letters Patent and legal equivalents as may be known and accessible to ASSIGNORS and will testify as to the same in any interference, litigation or proceeding related thereto.

ASSIGNORS further covenant that their representatives will promptly execute and deliver to ASSIGNEE or its legal representatives any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue, and enforce the application, the Invention, and the Letters Patent and foreign equivalents thereof, as the ASSIGNEE may from time to time require and prepare at its own expense.

ASSIGNORS further authorize and requests the Commissioner for Patents of the United States, and all equivalent foreign officials, to issue any Letters Patent or foreign equivalent thereof granted for the Invention, whether on the application or on any subsequently filed non-provisional, divisional, continuation, continuation-in-part, re-examinations, renewals, extensions, or reissue application, to ASSIGNEE, its successors and assigns, as the ASSIGNEE of the entire interest.

This agreement shall be interpreted under the laws of the State of California. Any litigation under this agreement shall be resolved in the trial courts of Los Angeles County, State of California.

This Assignment will become effective and binding upon the parties to this Assignment as of the execution date of this Assignment by the signatory below.

IN WITNESS WHEREOF, We, the undersigned ASSIGNORS, have executed this Assignment of Invention and Related Patent Rights on the date and location next to our signatures below.
