ASSIGNMENT AND AGREEMENT

FOR VALUE RECEIVED, we, Ryan McLean, a citizen of the United States of America and residing in Pasadena, California; Gregg Luconi, a citizen of the United States of America and residing in Monrovia, California; and William Tod Gross, a citizen of the United States of America and residing in Pasadena, California hereby sell, assign and transfer to Rollo Motion, Inc., duly organized and existing under the laws of the State of Delaware and having its principal place of business at 130 W. Union, Pasadena, California 91103, as assignee, and its successors, assigns and legal representatives, the entire right, title and interest for the United States of America and all foreign countries in and to certain inventions relating to

THREE-WHEEL SCOOTER

which are described in U.S. Design Patent Application, Serial Number 29/722,701, filed January 31, 2020, and in and to the invention(s) and improvement(s) set forth in any and all continuations, continuations-in-part (CIPs), divisionals, and renewals of said application for said Letters Patent, and in and to any and all Letters Patent of the United States and of countries foreign thereto which may be granted thereon or therefor; and in and to any reissues, reexaminations, or extensions of said Letters Patent.

We request that any and all United States and foreign patents for the inventions be issued to the assignee, its successors, assigns and legal representatives, or to such nominees as it may designate.

We agree that, when requested, we will sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for the inventions in any and all countries, and for vesting title thereto in the assignee, its successors, assigns and legal representatives or nominees.

We authorize and empower the assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for the inventions filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from us.
