In consideration of One Dollar (\$1.00) and other good and valuable considerations in hand paid, the receipt and sufficiency whereof are hereby acknowledged, the undersigned hereby assign to:

Saint-Gobain Performance Plastics Corporation
31500 Solon Road
Solon, Ohio 44139
United States of America

its successors and assigns, the entire right, title and interest in the invention or improvements of the undersigned disclosed in the patent applications referenced above, entitled:

Fluorinated Silicone Film For Oxygen Permeable Material
or
Gas Permeable Material

and in said application and any and all other applications, both United States and foreign, which the undersigned may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States and foreign countries, which may be obtained on any of said applications, and in any reissue or extension of such patents, and further assigns to said assignee the priority right provided by the International Convention.

The undersigned hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to said assignee.

The undersigned hereby authorize and request the attorneys of record in said application to insert in this assignment the filing date and application numbers of said application when officially known.

The undersigned warrant themselves to be the owners of the entire right, title and interest in said invention
