### ASSIGNMENT

WHEREAS, BOROUGE PTE LIMITED, of 1 George Street, #18-01, Singapore 049145, and having an office at Sheikh Khalifa Energy Complex, Borouge Tower, Corniche Road, P.O. Box 6951, Abu Dhabi, United Arab Emirates, hereinafter referred to as Assignor, owns a certain invention entitled:

#### POLYPROPYLENE COMPOSITION

for which International Patent Application No. PCT/EP2018/078551 has been filed on October 18, 2018, and for which invention an application (provisional or non-provisional) has been executed for a U.S. patent, which was filed on March 30, 2020, under U.S. Application No. 16/652,115, and is owned by Assignor,

WHEREAS, ABU DHABI POLYMERS CO. LTD (BOROUGE) LLC., of Sheikh Khalifa Energy Complex, Borouge Tower, Corniche Road, P.O. Box 6925, Abu Dhabi, United Arab Emirates, and BOREALIS AG, of IZD Tower, Wagramerstraße 17-19, A-1220 Vienna, Austria, jointly hereinafter referred to as Assignee, are desirous of acquiring the entire U.S. right, title, and interest of Assignor in, to, and under the invention described in the patent application, including the entire priority right derived from the application,

Assignor assigns and transfers to Assignee the entire right, title, and interest in, to, and under the invention, the referenced patent application, and other such applications (e.g., provisional applications, non-provisional applications, continuations, continuations-in-part, divisionals, reissues, reexaminations, national and regional phase applications, petty patent applications, and utility model applications) that may be filed in the U.S. and/or any country foreign to the U.S. on the invention, and the patents that may issue thereon,

Assignor conveys to the Assignee the right to make applications in Assignee's own behalf for protection of the invention in the U.S. and countries foreign to the U.S. and to claim priority to the referenced patent application and other such applications that may be filed in the U.S. or any country foreign to the U.S. on the invention under the Patent Cooperation Treaty, the Paris Convention, and any other international arrangements,

Assignor will not execute any writing or do any act conflicting with the terms of this assignment,

Assignor will at any time upon request, without further or additional consideration, but at the expense of the Assignee, execute such additional assignments and other writings and do such additional acts as the Assignee may deem necessary or desirable to pursue the patent applications identified herein, including, but not limited to, rendering all necessary assistance in making applications for and obtaining patents that may issue thereon in the U.S. and any countries foreign to the U.S. on the invention, and in enforcing any rights accruing as a result of such applications or patents, by, for example, executing statements and other affidavits,

Assignor and Assignee agree the terms of this assignment shall bind, and inure to the benefit of, the legal representatives, successors, and assigns of all parties hereto,

Assignor authorizes Assignee to insert in this assignment the number and filing date of the application if the number and filing date of the application are not recited herein at the time of execution of this assignment by any or all of the parties hereto,

Assignor and Assignee agree that U.S. law governs this assignment, and

Assignee acknowledges and accepts this assignment, as evidenced by the signature of an officer or authorized representative of Assignee below.

IN WITNESS WHEREOF, Assignor has caused one of its duly authorized officers to hereunder set his/her hand on the date shown below.
