and, IN AND TO, ALL Letters Patent(s) to be obtained for said Invention by the above listed application(s), and if applicable, by other application(s) including the subject matter of said Invention.

Whereas, we, the above-identified Inventors, each as an ASSIGNOR, have invented certain new and useful improvements in the Invention as identified above and described in the above-identified patent applications and/or patents (hereinafter referred to as "Invention").

And, whereas we each desire to assign our above-identified rights, title and interest in said Invention, being the subject matter for assignment, to the above-identified Assignee.

Now, this indenture witnesseth, that for good and valuable consideration, the receipt whereof is hereby acknowledged.

We as the above identified Inventors, each hereby assign, sell and transfer our above-identified rights, title and interest in said Invention, and said application(s) as identified above, and any other application(s) including the subject matter of the invention, including any divisions, continuations, and continuations-in-part thereof, and in and to any and all Letters Patent(s) of the United States, and of countries foreign thereto, which may be granted or have granted for said Invention, and in and to any and all reissues and reexaminations thereof, and in and to any and all priority rights, Convention rights, and other benefits accruing or to accrue to us with respect to the filing of applications for patents or securing of patents in the United States and countries foreign thereto, unto said Assignee;

And we each hereby authorize and request the Commissioner for Patents to issue any United States Letters Patent which may issue for said Invention to said Assignee, as assignee of the whole right, title and interest thereto;

And we each further agree to sign and execute all necessary and lawful future documents, including applications for foreign patents, for filing divisions, continuations and continuations-in-part of said application for patent, and/or, for obtaining any reissue or reissues of any Letters Patent which may be granted for my aforesaid Invention, as the Assignee or its Designee(s) may from time to time require and prepare at its own expense.

ASSIGNOR each hereby covenants that no assignment, sale agreement or encumbrance has been or will be made or entered into which would conflict with this assignment.

ASSIGNOR each further covenants that ASSIGNEE will, upon its request, be provided promptly with all pertinent facts and documents relating to said invention and said Letters Patent and legal equivalents as may be known and accessible to ASSIGNOR and will testify as to the same in any interference, litigation or proceeding related thereto and will promptly execute and deliver to ASSIGNEE or its legal representatives any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and

enforce said application, said invention and said Letters Patent and said equivalents thereof which may be necessary or desirable to carry out the purposes thereof.

IN WITNESS WHEREOF, the undersigned has hereunto set his/her hand and seal on the date set after his signature.
