ASSIGNMENT

THIS ASSIGNMENT, made by **NephroGenesis LLC**, a Tennessee Limited Liability company, having a principal place of business at 25 East Main Street, Suite 205, Chattanooga, Tennessee 37408, is the assignee of certain new and useful improvements in **METHODS AND APPARATUS FOR KIDNEY DIALYSIS AND EXTRACORPOREAL DETOXIFICATION** for which U.S. Application No. 14/738,308 was filed on June 12, 2015 in the United States Patent and Trademark Office. The NephroGenesis members according to NephroGenesis corporate operating agreement voted to dissolve the NephroGenesis LLC effectively on 9/27/18. Furthermore, according to NephroGenesis corporate operating agreement all rights, title and interest in to said invention **METHODS AND APPARATUS FOR KIDNEY DIALYSIS AND EXTRACORPOREAL DETOXIFICATION** for which U.S. Application No. 14/738,308 was filed on June 12, 2015 in the United States Patent and Trademark Office will be returned to the primary inventor Dr. James Alan Tumlin (Assignee).

WITNESSETH: That,

WHEREAS, **James A. Tumlin**, a citizen of the United States, with a mailing address 923 Preserve Bluff Drive, Buford GA, 301518.

WHEREAS, hereinafter referred to as assignee, is desirous of acquiring the entire right, title and interest in and to said invention as described in said applications, and in and to any and all Letters Patent which shall be granted therefor in the United States of America and all foreign countries;

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, NephroGenesis LLC have sold and by these presents do hereby sell, assign, transfer, and convey unto the said assignee, its successors and assigns, the entire right, title, and interest in and to the said invention and applications, and in and to any and all continuations, continuations-in-part, or divisions thereof, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues or other forms of protection thereof which may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted along with any term extensions thereon or therefor, together with the right to claim the priority of said applications in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said assignee, its

successors and assigns, as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made.

We hereby request that said Letters Patent be issued in accordance with this assignment.

We further covenant and agree that, at the time of the execution and delivery of these presents, we possess full title to the invention and applications above-mentioned, and that we have the unencumbered right and authority to make this assignment.

We further covenant and agree to promptly communicate to said assignee or its representatives any facts known to me relating to said invention, to testify in any interference or legal proceedings involving said invention, to execute any additional papers which may be requested to confirm the right of the assignee, its representatives, successors, or assigns to secure patent or similar protection for the said invention in all countries and to vest in the assignee complete title to the said invention and Letters Patent, without further compensation, but at the expense of said assignee, its successors, assigns, and other legal representatives; and we hereby instruct, and further covenant and agree to bind my heirs, legal representatives, and assigns, to do same, without further compensation, but at the expense of said assignee or its representatives.

IN WITNESS WHEREOF, NephroGenesis LLC have hereunto set our hand and seal on this 16th day of May, 2019.
