ASSIGNMENT
Attorney Docket No.: 1770-8

ASSIGNMENT

We, Abhishek Vishwakarma, Justin Lange, John M. De Cristofaro, and Niyanth Krishna Polisetty, have invented an invention comprising and/or embodying certain improvements or discoveries or both as described in an application for Letters Patent of the United States entitled, **DETERMINING A SET OF ACCESS POINTS IN RESPONSE TO A GEO-LOCATION REQUEST**, the specification of which:

- ☐ is about to be filed in the United States Patent Office;
- ☒ was filed on March 25, 2019 as U.S. Application No. 16/363,787;
- ☐ was patented under U.S. Patent No. _____ on _____.

Whereas, Lynq Technologies, Inc. (hereinafter "Assignee"), a company organized and existing under the laws of the State of Delaware and having a usual place of business at 19 Morris Avenue - Building 128, Brooklyn, NY 11205 desires to acquire an interest therein in accordance with agreements duly entered into with us;

To all whom it may concern be it known that for and in consideration of said agreements and of other good and valuable consideration, the receipt of which is hereby acknowledged, we have sold, assigned and transferred and by these presents do hereby sell, assign and transfer unto said Assignee, its successors, assigns and legal representatives, the entire right, title and interest in and throughout the United States of America, its territories and all foreign countries, in and to said invention as described in said application, together with the entire right, title and interest in and to said application and such Letters Patent as may issue thereon; said invention, application and Letters Patent to be held and enjoyed by said Assignee for its own use and behalf and for its successors, assigns and legal representatives, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held by us had this assignment and sale not been made; we hereby convey to Assignee all rights arising under or pursuant to any and all international agreements, treaties or laws relating to the protection of industrial property by filing any such applications for Letters Patent. We hereby acknowledge that this assignment, being of the entire right, title and interest in and to said invention, carries with it the right in Assignee to apply for and obtain from competent authorities in all countries of the world any and all Letters Patent by attorneys and agents of Assignee's selection and the right to procure the grant of all such Letters Patent to Assignee for its own name as Assignee of the entire right, title and interest therein;

We hereby further agree for ourselves and our executors and administrators to execute upon request any other lawful documents and likewise to perform any other lawful acts which may be deemed necessary to secure fully the aforesaid invention to said Assignee, its successors, assigns and legal representatives, but at its or their expense and charges, including the execution of applications for patents in foreign countries, and the execution of substitution, reissue, divisional or continuation applications and preliminary or other statements and the giving of
