ASSIGNMENT OF INTELLECTUAL PROPERTY

This ASSIGNMENT OF INTELLECTUAL PROPERTY (this "Assignment") is made as of June 18, 2020 (the "Effective Date") by and between Genpak LLC, a limited liability company organized under the laws of New York, Great Pacific Enterprises Limited Partnership, a limited partnership organized under the laws of Ontario (together with Genpak LLC, the "Assignors") and C.P. Converters, Inc., a corporation organized under the laws of Pennsylvania ("Assignee"). /ND/ 6-18-2020

WHEREAS, Great Pacific Enterprises Limited Partnership changed its name from Genpak Limited Partnership effective February 2, 2009, as evidenced by the Province of Ontario (Ministry of Government Services) Limited Partnerships Report produced May 8, 2020 set out in Exhibit A hereto; /ND/ 6-18-2020

WHEREAS, Assignors, Assignee and the other parties thereto entered into an Asset Purchase Agreement dated as of June 18, 2020 (the "APA") under which Assignors agreed to assign certain intellectual property to Assignee; /ND/ 6-18-2020

WHEREAS, Assignors desire to assign to Assignee all of their right, title and interest in and to the Acquired Intellectual Property (as defined in the APA) other than the Acquired Intellectual Property included in the Canada Assets (as defined in the APA), and Assignee desires to acquire same, in each case on the terms and subject to the conditions set forth below; and /ND/ 6-18-2020

WHEREAS, certain of the Acquired Intellectual Property owned by Great Pacific Enterprises Limited Partnership continues to be registered in its former name Genpak Limited Partnership, identified in certain patent office records as "Genpak LP". /ND/ 6-18-2020

NOW, THEREFORE, in consideration of the foregoing and the mutual representations, warranties and covenants set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned parties agree as follows:

1. Assignors do hereby sell, transfer, assign and deliver unto Assignee, and Assignee hereby assumes and accepts, all of Assignors' worldwide rights, title and interests in and to all Acquired Intellectual Property (other than Acquired Intellectual Property included in the Canada Assets), including without limitation: (a) the patents and patent applications listed in Exhibit B hereto, and including all provisional applications, continuation and continuation-in-part applications, continued prosecution applications, and substitute and divisional applications claiming the benefit of the filing date of or priority to the foregoing; all patents of addition and improvement patents based on the foregoing; all continued examinations, re-examinations, inter partes review and post-grant review certificates of the foregoing; all amendments, reissues, and extensions of the foregoing; all divisional, validations, supplementary perfection certifications and extensions of the foregoing; all patents or patent applications that claim priority to or from the foregoing; and all inventions claimed by any of the foregoing; all rights to claim priority to the foregoing under any of the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty and other applicable bilateral or multilateral treaties, (b) all rights under which an inventor, author or other person is obligated to assign ownership to any of the foregoing; (c) all registrations and applications for the foregoing, and all common law rights in the foregoing; /ND/ 6-18-2020

(d) all rights to request, apply for, file and register the foregoing; (e) all defenses relating to or arising from the foregoing and all rights of action arising from the foregoing, including without limitation all claims for damages or lost profits by reason of present, past and future infringement, misappropriation, violation, misuse, breach or default of the foregoing and all present, past and future rights to sue and collect damages or lost profits or seek injunctive relief for any such infringement, misappropriation, violation, misuse, breach and default of the foregoing; (f) all income, royalties and any other payments now and hereafter due and/or payable to Assignors in respect of the foregoing; and (g) all copies and tangible embodiments or descriptions of any of the foregoing, in whatever form or medium, in each case for all of the foregoing, to be held and enjoyed by Assignee for its own use and benefit and for its successors and assigns as the same would have been held by Assignors had this assignment not been made.

2. Assignors promptly shall execute and deliver, at Assignee's cost, such documents, and do and perform such acts and things as Assignee may reasonably request to give effect to, document and record, perfect and enforce the assignment herein recited, and such other documents including without limitation recordable intellectual property assignments as may be required to give full effect to and to perfect the rights of Assignee under this Assignment in and to the Acquired Intellectual Property worldwide.

3. Assignors hereby authorize and request the U.S. Commissioner of Patents and Trademarks, and any other applicable U.S. intellectual property office or agency, and the corresponding entities or agencies in any applicable foreign countries, to record Assignee as the assignee and owner of the Acquired Intellectual Property (other than Acquired Intellectual Property included in the Canada Assets), including the patents and patent applications listed in Exhibit B hereto.

 6-18-2020

4. This Assignment shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. This Assignment shall be governed by and construed in accordance with the laws of the State of Delaware without giving effect to any choice or conflict of law provision or rule that would cause the application of the laws of any jurisdiction other than the State of Delaware. This Assignment may be executed in the original or by facsimile in any number of counterparts, each of which shall be deemed to be an original and all of which together shall constitute one and the same instrument.

The undersigned parties, by their authorized representatives, have executed this Assignment of Intellectual Property as of the date first written above:
