PATENT ASSIGNMENT

WHEREAS, Xerox Corporation, a New York corporation with offices at 201 Merritt 7, Norwalk CT 06851-1056, USA ("Seller") is the sole and exclusive owner of the patents listed in Attachment 1 (the "Patents"); and

WHEREAS, Majandro LLC, a Texas limited liability company having an address at 6009 W Parker Rd, Ste 149 - 1086, Plano, TX 75093, USA ("Assignee") desires to acquire all right, title and interest in, to and under the said Patents;

NOW, THEREFORE, for good and valuable consideration the sufficiency of which is acknowledged by the parties:

Seller does hereby irrevocably and perpetually assign, convey, and transfer to Assignee, all of Seller's right, title and interest throughout the world, in and to the Patents, all of which are to be held and enjoyed by Assignee for its own use and enjoyment, and except as otherwise explicitly agreed and acknowledged in writing between the parties, for the use and enjoyment of its successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Seller, if this assignment and sale had not been made; together with all causes of action (whether known or unknown or whether currently pending, filed, or otherwise) and other enforcement rights under, or on account of, any of the Patents, including, without limitation, all causes of action and other enforcement rights for (i) past, current, and future damages, (ii) injunctive relief, and (iii) any other remedies of any kind for past, current and future infringement, and all rights to collect royalties or other payments under or on account of any of the Patents, all for Assignee's own use and behalf, and for the use and behalf of its successors, assigns or other legal representatives.

Seller hereby authorizes and requests the Commissioner of Patents and Trademarks, or an equivalent officer in any jurisdiction in which a Patent may have issued, to issue any and all Letters Patent on said inventions to Assignee as assignee of the entire interest, and hereby covenants that Seller has full right to convey the entire interest herein assigned, and that, except as otherwise explicitly agreed and acknowledged in writing between the parties, Seller has not executed, and will not execute, any agreements in conflict therewith.
