ASSIGNMENT

Whereas, I/we, the undersigned inventor(s) hereinafter called assignor(s), have invented certain improvements in and to the subject matter of:

COMPOSITIONS COMPRISING RECOMBINANT BACILLUS CELLS AND ANOTHER BIOLOGICAL CONTROL AGENT

described in an application for Letters Patent the specification of which:

was filed on: September 17, 2014

as United States Application No.: 62/051,932

and/or PCT International Application No.: _____

Whereas, Bayer CropScience LP, a Delaware limited partnership, having a place of business at 2 T.W. Alexander Drive, Research Triangle Park, North Carolina 27709, U.S.A., (assignee) desires to acquire the entire right, title, and interest in the application and invention, and to any United States and foreign patents to be obtained therefor;

Now therefore, for valuable consideration, receipt whereof is hereby acknowledged,

I/we, the above named assignor(s), hereby sell, assign and transfer to the above named assignee, its successors, legal representatives, and assigns, my/our entire right, title and interest, if any, in the invention and the application for the United States of America, including all direct and indirect divisions, continuations, and continuations-in-part thereof, and all original, extended, reissued, reviewed, and reexamined Letters Patent of the United States, and all countries foreign thereto, that may be granted thereon, including rights of priority under the International Convention of Paris (1883) as amended, including the right to claim priority under 35 U.S.C. §119, and I/we request the Director of the U.S. Patent and Trademark Office to issue any Letters Patent granted upon the invention set forth in the application to the assignee, its successors and assigns; and I/we hereby agree that the assignee may apply for foreign Letters Patent on the invention and I/we will without further consideration, communicate all facts known to me/us and execute without further consideration all papers deemed necessary by the assignee in connection with the United States and foreign applications when called upon to do so by the assignee, its successors, legal representatives, or assigns. I/We further represent and warrant that I/We have the full right to convey the interest assigned by this assignment, and that I/We have not granted any rights inconsistent with the rights granted herein.

The Assignor hereby authorizes and requests our agents, the attorneys of Bayer CropScience LP to insert in the spaces provided above any further identification, including the filing date and application number, when known, which may be necessary or desirable for purposes of recordation of this Assignment.

This Assignment may be executed in one or more counterparts, each of which shall be deemed an original and all of which may be taken together as one and the same Assignment.
