## ASSIGNMENT

WHEREAS,

**Michael GARANT**, whose address is,  
**1125 Colbourne St. East**  
**Brantford, ON N3S 0H4**  
**Canada**

hereinafter referred to as the Assignor, has made an invention relating to and entitled:

### **HOLDER FOR A BIT OF A TOOL**

hereinafter referred to as the Invention, as fully set forth and described in the following application for Letters Patent for the United States for which a declaration has been signed on date herewith and as also set forth and described in the following Application for Letters Patent:

| <u>Country</u>       | <u>Serial Number</u> | <u>Filing Date</u>   |
|----------------------|----------------------|----------------------|
| <b>United States</b> | _____                | <b>July 22, 2020</b> |

hereinafter referred to as the Application;

AND WHEREAS,

**Royal Machine Solutions Inc.**

hereinafter referred to as Assignee, whose address is,

**1125 Colbourne St. East**  
**Brantford, ON N3S 0H4**  
**Canada**

desires among other things to acquire Assignor's entire right, title and interest in and to the Invention and Application;

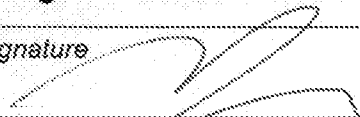

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor confirms that Assignor has agreed to sell, assign and transfer, and does hereby sell, assign, transfer and set over to Assignee, its successors, assigns, or legal representatives, Assignor's entire right, title, interest, property and benefit for the United States, Canada, Europe and all other jurisdictions throughout the World in and to the Invention, together with Assignor's entire right, title, interest, property and benefit in and to the Application including any and all corresponding division, reexamination, reissue, continuation and extension application of the Application and any and all Letters Patent that may issue or result therefrom for the Invention, and any and all rights of priority in and resulting from the filing of the Application, the corresponding applications and any previously filed applications in respect of the Invention under international conventions, treaties or otherwise, to the full extent of the term for which each Letters Patent may be granted, and including any right to claim priority based on the Application, the same to be held and enjoyed as fully and completely as the same would have been held and enjoyed by Assignor had this Assignment not been made;

AND ASSIGNOR, on behalf of himself and his heirs, executors and administrators, does hereby covenant and agree to do all such lawful acts and things and to execute without further consideration such further lawful assignments, documents, assurances, applications and other instruments as may reasonably be required by the Assignee, its successors, assigns, or legal representatives, to obtain any and all Letters Patent for the Invention and vest the same in the Assignee, its successors, assigns, or legal representatives.

AND ASSIGNOR does hereby authorize any official whose duty it is to grant patents, to grant each Letters Patent for the Invention to the Assignee, and to Assignee's successors, assigns, nominees or other legal representatives.

AND ASSIGNOR, on behalf of himself and his executors and administrators, does hereby authorize the Assignee, its successors, assigns, or legal representatives, including its Patent Agents, Gardiner Roberts LLP, to amend the present assignment to insert or correct the filing date, serial number or other identifying information of the Application as may be needed to record same.

IN WITNESS WHEREOF, Assignor has hereunto signed his name on the date set forth below.
