are desirous of acquiring the entire interest in and to said invention and the Letters Patent to be obtained therefor in the ownership percentages indicated herein. Now, therefore, in consideration of the payment by Assignees to Assignor of a sum corresponding to One Dollar (\$1.00), and for other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor, intending to be legally bound, hereby sells, assigns and transfers to Assignees, their successors and assigns, the full and exclusive right, title and interest in and to said invention, all applications for Letters Patent for said invention, including the Application, all divisions, continuations, and continuations-in-part thereof and non-provisional applications claiming priority thereto, all rights to claim priority based thereon, and all Letters Patent, including reissues, to be obtained therefor, including any and all foreign patent rights in this invention corresponding thereto and authorizes Assignees to file such applications for Letters Patent in the United States and any and all other countries. Assignor hereby warrants that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this Assignment. Assignor agrees it shall be legally bound, upon request of the Assignees or their successors or assigns or a legal representative thereof, to supply all information and evidence of which the Assignor has knowledge or possession, relating to the making and practice of said invention, to testify in any legal proceeding relating thereto, to execute all instruments proper to patent the invention in the United States of America and foreign countries in the name of the Assignees, and to execute all instruments proper to carry out the intent of this instrument. If the invention requires a biological deposit, Assignor also grants to Assignees such control over any deposit made by Assignor as may be necessary to the validity of the patent rights assigned herein. If the Assignor includes more than one individual, these obligations shall apply to these individuals both individually and collectively. In witness whereof, this Assignment is executed on the day indicated below.		

COMBINED DECLARATION/ASSIGNMENT - Patent Application

Docket Number: 180387G46

Declaration:

Note to Inventor: 37 C.F.R. § 1.53(c) states: "A person may not execute an oath or declaration for an application unless that person has reviewed and understands the contents of the application, including the claims, and is aware of the duty to disclose to the Office all information known to the person to be material to patentability as defined in § 1.56."

As a below named inventor, I declare that the Application was made or authorized to be made by me
