## PATENT APPLICATION

### Assignment

For good and valuable consideration, the receipt of which is hereby acknowledged, I, the undersigned inventor:

### ZOLTAN TAKATS

Who has created a certain invention for which an application for United States Letters Patent entitled “**IMPROVED IONISATION OF GASEOUS SAMPLES**”, was filed at the U.S. Patent and Trademark Office on **September 5, 2017** and assigned U.S. Patent Application Serial No. **15/555,758**.

Do hereby sell, assign and transfer to **IMPERIAL COLLEGE OF SCIENCE, TECHNOLOGY AND MEDICINE**, a company incorporated by Royal charter under number RC000231, whose principal place of business is South Kensington Campus, London SW7 2AZ, United Kingdom (“Imperial”), its successors, assigns, and legal representatives, the full and exclusive right to said invention and said application and to any and all inventions described in said invention and said application and to any and all inventions described in said application for the United States, its territorial possessions and all foreign countries, and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States, its territorial possessions and all foreign countries; and in and to any and all provisionals, continuations-in-part, continuations, divisions, substitutes, reissues, extensions thereof, and all other applications for Letters Patent relating thereto which have been or shall be filed in the United States, its territorial possession and/or any foreign countries, and all rights, together with all priority rights, under any of the international conventions, unions, agreements, act, and treaties, including all future conventions, unions, agreements, acts, and treaties;

Agree that **IMPERIAL COLLEGE OF SCIENCE, TECHNOLOGY AND MEDICINE**, hereinafter referred to as Assignee, may apply for and receive Letters Patent for said invention and said inventions, hereinafter referred to as said invention, in its own name, in the United States, its territorial possessions, and all foreign countries; and that, when requested to carry out in good faith the intent and purpose of this assignment, at the expense of said Assignee, its successors, assigns and legal representatives, the undersigned will execute all continuations-in-part, continuations, divisions, substitutes, reissues, extensions thereof, execute all rightful oaths, assignments, powers of attorney and other papers, testify in any legal or quasi legal proceedings; communicate to said Assignee, its successors, assigns or legal representatives all facts known to the undersigned relating to said invention and the history thereof; and generally do everything possible which said Assignee, its successors, assigns, or legal representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said invention and for vesting title to said invention and all applications for patents on said invention in said Assignee, successors, assigns, or legal representatives; and

Covenant with said Assignee, its successors, assigns, or legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has

been made to others by the undersigned, and that full right to convey the same has herein expressed is possessed by the undersigned.

We hereby grant Kacvinsky Daisak Bluni PLLC, the power to insert on this assignment any further information, including, but not limited to application number(s) and filing date(s), which may be necessary or desirable in order to comply with any rule or request of the United States Patent and Trademark Office for the purposes of recording this document.
