in and to said applications and any and all non-provisional, divisional, continuing, substitute, renewal, reissue, re-examination, extensions, certificates, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said inventions or to which the benefits of the priority date of said application is or will be claimed; and in and to all original and reissued patents which have been or shall be filed in the United States and all foreign countries on said inventions including all rights under the International Convention

WORLDWIDE ASSIGNMENT TO PRACTECHAL SOLUTIONS, INC.

for the Protection of Industrial Property to be held and enjoyed by Assignee for its own use and the use of its successors, legal representatives and assigns to the full term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the Assignors, had the assignment not been made;

Assignors agree that Assignee may apply for and receive Letters Patent in this or any other countries for said inventions in its own name;

Assignors agree that, at the request of the Assignee and, without charge to but at the expense of said Assignee, Assignor will carry out in good faith the intent and purpose of this Assignment; execute forms and documents for all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said inventions; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to Assignee all facts known to the undersigned relating to said inventions and the history thereof; and generally do everything possible which Assignee shall consider desirable for aiding in securing and mainlining proper patent protection for said inventions and for vesting title to said inventions, and all applications for patents and all patents on inventions in said Assignee;

Assignors agree that in the event Assignors refuses to comply with the provisions of this Assignment and execute any required form or document required or requested by a patent office to prosecute any application or patent assigned or applied for pursuant to the provisions of this agreement, or in the event of Assignors' unavailability due to death, incapacity, or other means, including, without limitation if the Assignors' whereabouts are unknown to Assignee, Assignors hereby grant to Assignee the power of attorney to represent the Assignor before the respective patent office in connection with any and all patent applications assigned or applied for pursuant to the provisions of this Assignment. Assignors hereby grant Assignee the right to execute any required statement or document necessary to affect the intent and purpose of this Assignment.

Covenant with Assignee that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.

AND Assignors hereby request the Commissioner of Patents to issue any Letters Patent of the United States to Assignee as the Assignee of said inventions and Letters Patent to be issued thereon for the sole use of Assignee, its successors, legal representatives and assigns.
