**ASSIGNMENT**

WHEREAS I, the below named inventor, hereinafter referred to as Assignor, have made an invention entitled:

**COMPUTER PLATFORM AND METHOD FOR SECURELY EXCHANGING  
CONFIDENTIAL DATA AND GENERATING LEGAL DOCUMENTS**

for which a United States Provisional Patent Application was filed with the United States Patent & Trademark Office (US 62/879,477); and

WHEREAS, Law on Earth IP Pty Ltd, an Australian company whose registered address is Level 54, 111 Eagle Street, Brisbane QLD 4000, Australia (hereinafter referred to as Assignee), is desirous of securing the entire right, title, and interest in and to this invention in all countries throughout the world, and in and to the application for United States Letters Patent to be issued upon any applications claiming priority to this application;

NOW THEREFORE, let it known that, for and in consideration of the sum of One Dollar (\$1.00) in hand paid and other good and valuable consideration the receipt of which from the Assignee is hereby acknowledged, I, as Assignor, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, my entire right, title, and interest in and to this invention, provisional Patent Application No. US 62/879,477 filed July 28, 2019, and this application, and all further provisional applications, non-provisional applications, divisionals, and continuations thereof, and all Letters Patent of United States which may hereafter be filed for this invention in any foreign countries, and all Letters Patents which may be granted on this invention in any foreign countries, and all continuations, divisionals, extensions, renewals, and reissues thereof; and I hereby authorize and request the Commissioner of Patents in the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, I HEREBY covenant that I have the full right to convey the interest assigned by this Assignment, and I have not executed and will not execute any agreement in conflict with this Assignment;

AND, I HEREBY further covenant and agree that I will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to me respecting these inventions, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors or assigns, execute all international, divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.

IN TESTIMONY WHEREOF, I have hereunto set my hands.
