Assignment

This Assignment ("Assignment") is made and entered into as of December 26, 2017 by and between Roger P. Jackson, an individual residing at 4706 West 86th Street, Prairie Village, Kansas 66207 and SMS Trust (pursuant to a Trust Agreement dated August 11, 1995) (Collectively the "Jackson Group" or "Assignor") and Warsaw Orthopedic, Inc. an Indiana Corporation with its principal place of business located at 2500 Silveus Crossing, Warsaw, Indiana 46581 and all of its Affiliates (collectively "WOI" or "Assignee").

WHEREAS, Assignor is the owner of the certain intellectual property set forth in the attached Exhibit A (the "Intellectual Property").

WHEREAS, The Roger P. Jackson and WOI are parties to a Development and Assignment Agreement having an effective date of November 21, 2017, pursuant to which Assignor has agreed to contribute, convey, assign, transfer and deliver to WOI, and WOI has agreed to acquire and accept from Assignor, all of the Assignor's right, title and interest in and to the Intellectual Property. The Assignor is the owner of those certain patents and patent applications set forth in the attached Exhibit A.

NOW, THEREFORE, for One Dollar (\$ 1 .00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the Assignee, its successors, legal representatives, and assigns, the entire right, title, and interest in, to and under the Intellectual Property set forth in Exhibit A, the inventions thereof, and the application, and all divisional, renewal, substitutional, and continuing applications thereof, and all Letters Patent of the United States of America which may be granted thereon and all reissues and extensions thereof, and all applications for Letters Patent which may be filed for the invention in any country or countries foreign to the United States of America, and all extensions, renewals, and reissues thereof, and all prior patents and patent applications for which a filing priority of the above-described patent application may be obtained, including the right to collect past damages; and we hereby authorize and request the Commissioner of Patents of the United States of America, and any official of any country or countries foreign to the United States of America, whose duty is to issue patents on applications as aforesaid, to issue all Letters Patent for the invention to the Assignee, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND WE HEREBY covenant that we have full right to convey the entire interest herein assigned, and that we have not executed, and will not execute, any agreement in conflict herewith.

AND WE HEREBY further covenant and agree that we will communicate to the Assignee, its successors, legal representatives and assigns, any facts known to me respecting the invention, and testify in any legal proceedings, sign all lawful papers, execute all divisional, renewal, substitutional, continuing, and reissue applications, make all rightful declarations and/or oaths and generally do everything possible to aid the Assignee, its successors, legal representatives and assigns, to obtain and enforce patent protection for the invention in all countries.

Assignor/Applicant/Inventor Name:

Address:

Dated: 12-26-17

Roger P. Jenkins
Assignor/Applicant/Inventor Signature

STATE OF Kansas

COUNTY OF Johnson

On this the 26 day of December, 2017, before me personally appeared _____, to me known (or proved to me on the basis of satisfactory evidence) to be the person described in and who executed the foregoing instrument, and acknowledged that he executed the same as his free act and deed.

WITNESS MY HAND and Seal at office this the 26 day of December, 2017.

[Signature]

Notary Public

My Commission Expires:

6/16/2018
