DECLARATION FOR PATENT APPLICATION AND ASSIGNMENT

Title of the Invention: COMPONENT FOR AN EXHAUST SYSTEM OF AN INTERNAL COMBUSTION ENGINE

As a below named inventor, I hereby declare that:

This declaration is directed to:

- ☐ The attached application, or
☒ United States application or PCT international application number 16/903,013
filed on June 16, 2020

The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

WHEREAS, Eberspächer Exhaust Technology GmbH

(hereinafter referred to as Assignee) having a place of business at:
Homburger Straße 95, 66539 Neunkirchen, Germany

is desirous of acquiring the entire right, title and interest to said invention and in the Letters Patent to be obtained therefor from the United States;

NOW THEREFORE, be it known by all whom it may concern, that for and in consideration of the sum of One Dollar (\$1.00) (or the equivalent thereof in foreign currency) and other valuable consideration, the receipt of which is hereby acknowledged, I have assigned, sold and set over and by these presents do assign, sell and set over unto the said Assignee for the territory of the United States of America and not elsewhere, the full and exclusive right, title and interest in and to the said invention, said invention, application and Letters Patent to be held and enjoyed by the said Assignee for its own use and behoof and for the use and behoof of its successors and assigns to the full end of the term for which said Letters Patent is granted, as fully and entirely as the same would have been held by me had this Assignment and sale not been made.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than (5) years, or both.
