(Attorney Docket No. MELD-30-PRO)

International Patent Application No. PCT/US18/58470
Filed 10-31-2018
(Attorney Docket No. MELD-30-PCT)

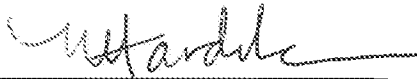

WHEREAS, Assignee, **MELD MANUFACTURING CORPORATION**, a corporation organized under the laws of Virginia, whose address is 200 Technology Drive Christiansburg, VA 24073, is desirous of acquiring the entire right, title, and interest in and to these patents and patent applications, as well as in and to Letters Patent or similar legal protection to be obtained therefore in the United States and in any and all foreign countries, and in and to any patent applications and patents claiming benefit of or to them throughout the world such as any continuation, divisional, continuation-in-part, reexamination, reissue or any legal equivalent thereof;

NOW THEREFORE, for good and valuable consideration, the receipt of which from Assignee is hereby acknowledged, I as Assignor hereby sell, assign, transfer, and set over unto Assignee, its lawful successors and assigns, the entire worldwide right, title, and interest in and to, including the right to sue for past infringement, the above-referenced inventions, in and to the above-referenced applications, in and to any continuation, division, continuation-in-part, reexamination, reissue, renewal, substitute, or extension thereof or any legal equivalent thereof, and in and to all Letters Patents of all countries throughout the world that might be granted thereon, including the right to claim priority to the above-referenced applications and the right to be granted a patent in any country throughout the world and in all PCT Contracting States, and I hereby authorize and request all officials of all foreign countries whose duty it is to issue patents on applications as described above, to issue all Letters Patent for these inventions to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, I HEREBY covenant that I have the full right to convey the interest assigned by this Assignment, and I have not executed and will not execute any agreement in conflict with this Assignment;

AND, I HEREBY further covenant and agree that I will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to me respecting these patents and patent applications, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that might be necessary or desirable to perfect the title to these patents and patent applications in Assignee, its successors and assigns, execute all divisional, continuations, and reissue applications, make all rightful oaths, and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for these patents and patent applications in all countries, it being understood that any expense incident to the execution of such papers shall be borne by Assignee, its successors, and assigns.

IN TESTIMONY WHEREOF, I have hereunto set my hand:
