**ASSIGNMENT**

Whereas I, Rosemary Y. Sharp, have invented certain new and useful improvements in Cigar Lighters (hereinafter the "Invention") described in a U.S. Patent Application entitled "Cigar Lighter", which was filed on 27-July-2020 as Application No. 29/744160:

And, whereas I desire to assign a 100% undivided interest in said Invention, said application disclosing the Invention and any patent which may be granted therefore to Integral Logistics, LLC (hereinafter referred to as the "Assignee"), a limited liability company having its place of business at 6501 Nob Hill Road, Suite B, Tamarac, FL 33321, and whereas Assignee is desirous of acquiring the entire right, title and interest in the same;

Now, this indenture witnesseth, for the sum of one dollar (\$1.00) and other good and valuable consideration, the receipt whereof is hereby acknowledged, I hereby assign, sell and transfer a 100% undivided interest in said invention, said application, including any divisions, continuations, and continuations-in-part thereof, and in and to any patents of the United States, and countries foreign thereto, which may be granted for said Invention, and in and to any and all priority rights, Convention rights, and other benefits accruing or to accrue to me with respect to the filing of applications for patents or securing of patents in the United States and countries foreign thereto, unto said Assignee;

And I hereby authorize and request the Director of the United States Patent and Trademark Office to issue said United States patent to said Assignee, as assignee of the whole right, title and interest thereto;

And I further agree to execute all necessary and lawful future documents, including assignments in favor of Assignee, or its designees as Assignee or its Assignees may from time-to-time present to me in order to perfect title in said Invention, modifications, and improvements in said Invention, applications and patents of the United States and countries foreign thereto;

And I further agree to sign and properly execute such necessary and lawful papers for application for foreign patents, for filing divisions, continuations and continuations-in-part of said application for patent, and/or, for obtaining any reissue or reissues of any patents that may be granted for my aforesaid Invention, as the Assignee thereof shall hereafter require and prepare at its own expense.
