POWER TOOL TECHNOLOGY PURCHASE AGREEMENT

BETWEEN TPTTL AND TCGP

This **POWER TOOL TECHNOLOGY PURCHASE AGREEMENT BETWEEN TPTTL AND TCGP** (this "**Agreement**") is made as of June 6, 2019 (the "**Effective Date**") between **Techtronic Power Tools Technology Limited** (hereafter referred to as "**TPTTL**"), a company incorporated under the laws of the British Virgin Islands whose registered office is at Trident Chambers, P.O. Box 146, Road Town, Tortola c/o Trident Trust Company (B.V.I.) and a TTI Affiliate; and **Techtronic Cordless GP** (hereafter referred to as "**TCGP**"), a general partnership formed under the laws of the State of Nevada whose registered office is at 100 Innovation Drive, Anderson, South Carolina 29621 (collectively the "**Parties**"). The Parties agree as follows:

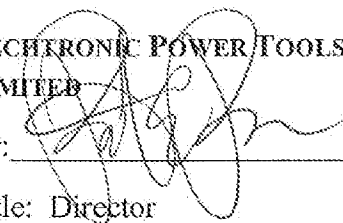

1. Purchase and Assignment. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, TPTTL hereby irrevocably sells, conveys, transfers, and assigns to TCGP all of TPTTL's right, title, and interest in and to the Power Tool Trademarks, Licensed Power Tool Trademark Rights, and the Assigned Agreements. The terms of the purchase are set forth on Exhibit A attached hereto and incorporated by this reference. All capitalized terms used, but not otherwise defined in this Agreement, have the meanings set forth on Exhibit A.

2. Ownership and Transfer of Rights. The parties to this Agreement acknowledge that TPTTL does and will hold legal title to the Power Tool Platform Non-Trademark Intellectual Property and that TCGP will have full beneficial economic ownership in the Power Tool Platform Non-Trademark Intellectual Property. As of the Effective Date, TPTTL hereby grants to TCGP, on an exclusive basis, perpetual, irrevocable (except in the event of breach), license to the economic rights associated with the Power Tool Platform Non-Trademark Intellectual Property, including the economic rights from using, selling, offering to sell, performing, displaying, reproducing, sublicensing, and distributing the Power Tool Platform Non-Trademark Intellectual Property. For the avoidance of doubt, subject to Exhibit A, TPTTL's rights and obligations under this Agreement will be freely transferable, provided that such transfer does not adversely impact the beneficial economic ownership of TCGP.

3. Limitations. This Agreement acknowledges that the Power Tool Platform Intellectual Property transferred herein is limited pursuant to the TTI (Macau Commercial Offshore) Ltd. License Agreement with certain U.S. affiliates.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed by their authorized representatives and delivered in duplicate originals as of the Effective Date.
