**ASSIGNMENT AGREEMENT**

**THIS ASSIGNMENT** (hereinafter referred to as “**Assignment**”) is made by Charles Mizrahi, having a residence in New York, NY, (hereinafter referred to as “**Assignor**”).

**WHEREAS**, Assignor has invented certain new and useful processes, machines, articles of manufacture, compositions of matter, and/or improvements thereof disclosed in U.S. Provisional Application No. \_\_\_\_/\_\_\_\_\_, filed \_\_\_\_\_ entitled “HANGER,” Attorney Docket No. 10612/008513-US0 (hereinafter referred to as “**Application**”); and

**WHEREAS**, Mystic Apparel LLC, a corporation having a place of business at 1333 Broadway, 6th Floor, New York, NY, 10018, USA (hereinafter referred to as “**Assignee**”), is desirous of acquiring the entire right, title and interest worldwide in and to the Application, and inventions and improvements described and claimed therein, and in and to any patents to be obtained therefor, thereon, and therefrom.

**NOW, THEREFORE**, for sufficient, good and valuable consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over unto Assignee, its successors, legal representatives and assigns, all right, title and interest throughout the world in and to the Application, any inventions and improvements claimed or disclosed therein, and any and all letters patent, certificates of invention, design registrations and utility models which may be granted therefor throughout the world, including the United States, its territorial possessions and all other countries or jurisdictions in the world, and in and to any and all design, utility (including non-provisional), reissue, reexamination, divisional, continuation, continuation-in-part, substitute, and extension thereof, and all other applications relating thereto which shall be filed by the Assignee or its assignees in the United States, its territorial possessions and all foreign countries, for Assignee’s own use and enjoyment and the use and enjoyment of its successors, legal representatives and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with (A) the right, if any, to register or apply in all countries and regions in the Assignee’s name for patents, utility models, design registrations and like rights of exclusion and for inventors’ certificates for said inventions and improvements; (B) the right to prosecute, maintain and defend the Application (and any patents granted thereon or therefrom) before any public or private agency, office or registrar including by filing utility (including non-provisional), design, reissue, reexamination, divisional, continuation, continuation-in-part, substitute, extension and all other applications relating to the Application; (C) the right, if any, to claim priority based on the filing date of the Application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, the Paris Convention, and all other treaties of like purposes; and (D) the right to sue and recover damages or other compensation for past, present or future infringements thereof, the right to sue and obtain equitable relief, including injunctive relief, in respect of such infringements, and the right to fully and entirely stand in the place of the Assignor in all matters related thereto.

**AND**, at Assignee's cost, Assignor shall use reasonable efforts to take actions and execute and deliver documents that Assignee may reasonably request to effect the terms of this Assignment and to perfect Assignee's title in and to the Application assigned to it hereunder, including, without limitation, entering into individual patent assignment agreements (in one or more languages) for the purposes of evidencing and recording Assignee's rights in the Application.

**AND**, Assignee shall be solely responsible for all actions and all costs whatsoever, including but not limited to taxes, attorneys' fees and patent office fees in any jurisdiction, associated with the perfection of Assignee's right, title, and interest in and to the Application and recordation and/or registration of this Assignment or any other document evidencing the assignment to Assignee of the Application. The Assignor hereby authorizes the Commissioner/Director of Patents and Trademarks in the United States Patent and Trademark Office, and the corresponding entities or agencies in any applicable foreign countries or multinational authorities, to record Assignee as the assignee and owner of the Application and to deliver to Assignee all official documents and communications as may be warranted by this Assignment.

**AND**, for the same consideration, Assignor hereby represents and warrants to Assignee, its successors, legal representatives and assigns that, at the time of execution and delivery of these presents, except for any right, title and/or interest that have arisen to Assignee under law or that have already been transferred to Assignee, Assignor is the lawful owners of all right, title and interest in and to the Application, including the inventions and improvements described therein, and that the same are unencumbered and that Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

**AND**, Assignor hereby grants the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:

**LEASON ELLIS LLP**

including all practitioners at Customer Number 76808.

**AND**, this Assignment can be executed in any number of counterparts, each of which when so executed shall be deemed an original and all of which taken together shall constitute one and the same agreement. This Assignment shall have an effective date corresponding to the last date of execution.

**IN WITNESS WHEREOF**, Assignor and Assignee have caused this Assignment to be executed.
