## ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, I, Michael Parker, of Arnold, California, hereby sell, assign, and transfer to Component Re-Engineering Company, Inc., a California corporation, having a place of business at 3508 Bassett Street, Santa Clara, CA 95054, its successors and assigns, the entire right, title, and interest throughout the world in my invention in

### METHOD FOR JOINING QUARTZ PIECES AND QUARTZ ELECTRODES AND OTHER DEVICES OF JOINED QUARTZ

for which I have filed a United States patent application on August 14, 2018, which now has U.S. Patent Application No. 16/102,737, and all national, regional, and international patent applications and patents of every country or region for said invention, including divisions, reissues, continuations, and extensions thereof, and all rights of priority resulting from the filing of said applications; I authorize the above-named assignee to apply for patents of foreign countries for said invention, and to claim all rights of priority without further authorization from me; I agree to execute all papers useful in connection with said United States and foreign applications, at their request and expense, in obtaining and enforcing patents for said invention in all countries and regions; and I request the United States Patent and Trademark Office to issue all patents granted for said invention to the above-named assignee, its successors, and assigns.
