## CONFIRMATORY ASSIGNMENT

Atty Docket No. RDWD-009

THIS ASSIGNMENT IS SUPPLEMENTAL to the Original Assignment (defined below) and is by David Rabuka, Aaron Edward Albers, Romas Alvydas Kudirka and Albert W. Garofalo (hereinafter referred to as the assignors), residing in Kensington, California, San Francisco, California, Berkeley, California and South San Francisco, California respectively, witnesseth:

WHEREAS, the said assignors invented certain new and useful improvements in:

"Hydrazinyl-Pyrrolo Compounds and Methods for Producing a Conjugate"

XX filed on November 26, 2014 as U.S. Application Serial No. 14/555,283 designating the United States.

WHEREAS, in the Original Assignment, the said assignors assigned all of their right, title and interest in and to the above-mentioned invention, application for Letters Patent, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefor and thereon, and in and to any and all divisions, continuations, and continuations-in-part of said application, or reissues or extensions of said Letters Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property.

WHEREAS, the Original Assignment needs to be memorialized formally in a written instrument for the purposes of prosecuting said invention and said application for Letters Patent of the United States, and in and to any Letters Patent or Patents, United States or foreign, to be obtained therefor and thereon.

WHEREAS, the Original Assignment was the assignment by the said assignors to **Redwood Bioscience, Inc.** a corporation duly organized under and pursuant to the laws of Delaware, and having its principal place of business at **5703 Hollis Street Emeryville, California 94608** (hereinafter referred to as the assignee) of the execution date of the Original Assignment.

NOW THEREFORE, for good and sufficient considerations, the receipt of which is hereby acknowledged, said assignors confirm the assignment to said assignee in the Original Assignment of all of their right, title and interest in and to the above-mentioned invention, application for Letters Patent, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefor and thereon, and in and to any and all divisions, continuations, and continuations-in-part of said application, or reissues or extensions of said Letters Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property, the same to be held and enjoyed by said assignee, for its own use and behalf and the use and behalf of its successors, legal representatives and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted, as fully and entirely as the same would have been held and enjoyed by the assignors, had this sale and assignment not been made.

AND for the same consideration, said assignors hereby covenant and agree to and with said assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment and that said assignors have good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, said assignors hereby covenant and agree to and with said assignee, its successors, legal representatives and assigns, that said assignors will, whenever counsel of said assignee, or the counsel of its successors, legal representatives and assigns, shall advise that any proceeding in connection with said invention, or said application for Letters Patent, or any proceeding in connection with Letters Patent for said invention in any country, including interference proceedings, is lawful and desirable, or that any division, continuation or continuation-in-part of any application for Letters Patent or any reissue or extension of any Letters Patent, to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent for said invention, without charge to said assignee, its successors, legal representatives and assigns, but at the cost and expense of said assignee, its successors, legal representatives and assigns.

AND said assignors hereby request the Commissioner of Patents to issue said Letters Patent of the United States to said assignee as the assignee of said invention and the Letters Patent to be issued thereon for the use and behalf of said assignee, its successors, legal representatives and assigns.
