## ASSIGNMENT

Jennifer K. Dang, residing at 6693 Teakwood St., Cypress, California 90630, USA (hereinafter referred to as Assignor) has invented certain new and useful improvements in U.S. Design Patent Application No. 29/732,311 entitled SUPPLEMENT TABLET filed on April 23, 2020 (hereinafter referred to as Application) and desire to assign their entire right, title, and interest in and to the inventions described in the Application and all patents that may be granted therefor anywhere in the world.

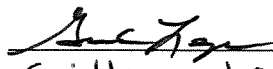

Access Business Group International LLC, a Michigan limited liability company, having a place of business at 7575 Fulton Street East, Ada, Michigan 49355 (hereinafter referred to as Assignee) desires to acquire Assignor's entire right, title, and interest in and to the inventions described in the Application and all patents that may be granted therefore anywhere in the world.

In consideration of the sum of One Dollar (\$1.00), the receipt of which is hereby acknowledged, and for other good and valuable consideration, Assignor sells, assigns, and transfers unto Assignee its entire right, title, and interest in and to (a) the inventions described in the Application in China and in all foreign countries, (b) the Application, (c) all provisional applications from which the Application claims priority, (d) all nonprovisionals, divisions, continuations, reissues, reexaminations, substitutions, renewals, and extensions claiming priority directly or indirectly from the Application including the right to claim for any such application the benefits of the International Convention; and (e) all patents that may be granted on any of the foregoing in China and in all foreign countries.

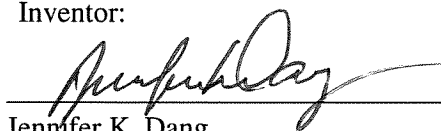

Assignor authorizes and requests the patent office officials in China and in all foreign countries to issue all the patents, when granted, to Assignee as the owner of the entire right, title, and interest in and to the same.

Assignor agrees to communicate to Assignee or its representatives all facts known to Assignor respecting the inventions described in the Application; to testify in all legal proceedings; to sign all documents; to execute all nonprovisional, divisional, continuation, reissue, reexamination, substitution, renewal, and extension applications; to execute all necessary assignment documents to cause all of the patents to be issued to Assignee, to make all rightful oaths, and generally to do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper protection for the inventions described in the Application in China and in all foreign countries.
