We Assignors have invented one or more certain inventions (the "Invention(s)") described in a United States Patent Application entitled **EVENT NOTIFICATION SYSTEM AND METHOD** (the "Application") and ☒ executed concurrently herewith; or ☒ filed on _____, as U.S. Patent Application No.: _____. We Assignors authorize the Assignee, identified below, or its representatives to insert the application number of the Application when known.

eBuddy Holding B.V., a corporation of the Netherlands having a place of business at Keizergracht 585, Amsterdam 1017DR, Netherlands ("Assignee"), desires to acquire the entire right, title and interest in and to the Invention(s) and the Application, and in and to any patents (collectively, "Patents") that may be granted for the Invention(s) in the United States or in any foreign countries.

For valuable consideration, the receipt and sufficiency of which Assignor acknowledges, Assignor hereby sells, assigns, and transfers to Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to: the Invention(s), the Application, and any Patents; any divisions, continuations, and continuations-in-part of the Application and any other application claiming priority rights from the Application; any reissues, reexaminations, or extensions of any and all Patents; the right to file foreign applications directly in the name of Assignee; and the right to claim priority rights deriving from the Application (collectively, the "Rights"). Assignor warrants that he or she is the sole
