**ASSIGNMENT OF PATENT APPLICATIONS**

This Agreement is entered into and effective as of 24 July 2020, by and between Celer Ergonomics, LLC, a business entity formed under the laws of New York, having an address of 3 Pineview Lane, East Greenbush, NY 12061 (Assignee) and the below named Inventor (Assignor).

WHEREAS the Assignor conceived ornamental designs, inventions, and/or improvements described in the following, collectively referred to as the "Patent Applications":

- (a) U.S. Design Patent Application No. 29/534,574, which issued as U.S. Design Patent No. D774,654 on 20 December 2016;
- (b) U.S. Design Patent Application No. 29/585,215, which issued as U.S. Design Patent No. D801,542 on 31 October 2017;
- (c) U.S. Provisional Application No. 62/198,660, filed on 29 July 2015;
- (d) U.S. Utility Patent Application No. 15/213,949, filed on 19 July 2016;
- (e) U.S. Utility Patent Application No. 16/926,043, filed on 10 July 2020; and
- (f) any and all applications claiming the benefit of any of the above-referenced applications and any and all continuations, continuations-in-part, divisionals, and renewals of and substitutes for any of the above-referenced applications;

WHEREAS Assignor desires to sell, assign, and transfer all of Assignor's rights, title, and interest, for all countries in and to the Patent Applications and the ornamental designs, inventions, and/or improvements described therein to Assignee; and

WHEREAS Assignee desires to obtain all of the rights title, and interest, for all countries in and to the Patent Applications and the ornamental designs, inventions, and/or improvements described therein as the sole owner of the Patent Applications.

NOW THEREFORE, for and in consideration of good and valuable consideration, the receipt and sufficiency of which is hereby expressly acknowledged, the parties agree as follows:

1. Assignor hereby confirms any previous assignment(s) and, to the extent any previous assignment(s) is (are) insufficient, hereby sells, assigns, and otherwise transfers unto Assignee, and its successors, assigns and legal representatives, the rights, title and interest, for all countries in and to the Patent Applications and the ornamental designs, inventions, and/or improvements described therein and any and all rights and privileges under any and all Letters Patent that may be granted therefor in any country, and any reissues, or reexaminations, or extensions of any such Letters Patent.
2. Assignor requests that any and all Letters Patent for the ornamental designs, inventions, and/or improvements described in the Patent Applications be issued to the Assignee, its successors, assigns and legal representatives, or to such nominees as the Assignee may designate.
3. Assignor authorizes and empowers the Assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any Patent Application or other form of

protection for the ornamental designs, inventions, and/or improvements described in the Patent Applications, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from the Assignors.

4. Assignor hereby consents that a copy of this Agreement shall be deemed a full legal and formal equivalent of any assignment, consent to file, or like document, which may be required in any country for any purpose and more particularly as proof of the right of the Assignee, its successors, assigns and legal representatives, or to such nominees as the Assignee may designate to claim the aforesaid benefit of the right of priority provided by the International Convention or any convention which may henceforth be substituted for it.

5. Assignor agrees that, when requested, Assignor will, without charge to the Assignee but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for the ornamental designs, inventions, and/or improvements described in the Patent Applications in any and all countries and for vesting title thereto in the Assignee, its successors, assigns and legal representatives or nominees.

6. Assignor covenants with the Assignee, its successors, assigns and legal representatives, that the rights and property herein conveyed are free and clear of any encumbrance, and that Assignor has full right to convey the same as herein expressed.

IN WITNESS WHEREOF, the Inventor has executed this agreement below.
