**Merger and Change of Name with Absolute Rights, Title, and Interest
Kenneth DOST
(REQUIRES IMMEDIATE ATTENTION OF THE COMMISSIONER OF PATENTS)**

This Merger and Change of Name is the voluntary, independent, and **the** self-executed act by the real and true, Kenneth W. Dost, qualified by acquired cognitive knowledge and competent understanding with full faculty and authority to demand immediate government action with protected passage and transport into permanent safe harbor.

I, Kenneth W. Dost, am the real and true body of living matter with direct connection to the non-human, unregistered trade name in the form of KENNETH W. DOST. KENNETH W. DOST/ Kenneth W. Dost, is a derivative name and public personality created sometime shortly after June 8, 1980 upon first entry into the job market. It was created from Kenneth William Dost/KENNETH WILLIAM DOST, as detailed within a Declaration of Existence, attached and incorporated into this Merger and Change of Name by reference and attachment. KENNETH W. DOST is not in commerce, is not a sole proprietorship, a single member LLC, nor is it any other business structure initiated by my knowing and voluntary act. It is a trade name for my use and enjoyment, and the use and enjoyment for my heirs of the body, and whomever I knowingly, willingly, and voluntarily, being fully informed of all facts, disclosures and representations choose as my successors and assigns.

Any and all waivers to any agreement, and all successors and assigns, thereto, agreed to under duress and undue influence; namely, a waiver not to sue the estates of any US Bank employee, successors and/or assigns Kenneth W. Dost and Michele A. Dost (“the Dosts”) were compelled to execute under threat by Mr. Charles O. Moore, then President of US Bank’s Consumer Finance Division. Any agreement, with respect to a mortgage loan refinance, that this waiver attaches to which were foisted upon the Dosts are on this public record, terminated, void ab initio, nunc pro tunc, *mutadis mutandis*; and all accounts and assets are, hereby, ordered for immediate and full reversion. This is just one incident of many consisting of many egregious, unlawful, and criminally questionable events over a three-year period that the Office of the Comptroller of the Currency (OCC) sanctioned, whose strict and seditious deregulation and preemption policies prevented any government protection, intervention, or redress on our part.

KENNETH W. DOST exists only because of Kenneth W. Dost. KENNETH W. DOST would not exist at all but for Kenneth W. Dost, who gave existence to form. Once brought into named existence, it lives on in perpetuity. Reiterating, it was created from Kenneth William Dost/KENNETH WILLIAM DOST, as detailed within a Declaration of Existence, attached and incorporated into this Merger and Change of Name, by reference and attachment. The all capitalized name is soul’s invaluable energy atoms of universe; scattered the world over – from the center of the earth to space above, prima facie, upon the metaphysical patented decomposition, fractionalization, securitization, collateralization, and repeated rehypothecation. Capitalized name is of undiminishing incalculable value, and expressed, by those familiar with the art (“ART” – Automated Reasoning Tool), in whatever manner foreign agent law firms, in collusion with the business of banking, can conjure.

Kenneth W. Dost is only a debtor by presumptions of voluntary agreement. Such presumptions are indisputably rebuttable simply because it is impossible to voluntarily agree to purposely concealed and imposed pledges, grants, and credit security agreement in patents, trademarks, and copyrights that the business of banking and its affiliates of foreign agent intellectual properties law firms collude to gut the people of this nation. These pledges, grants, and credit security agreements, etc., and all other unlawful and immoral manner of collusion conjured up by and between these foreign agent imposters and impersonators which are confirmed, affirmed, reaffirmed, reconfirmed ad infinitum, herein, are canceled and terminated.

Kenneth W. Dost and Michele A. Dost are responsible for the site development of 10 raw acres of unimproved land into two (2) five acre partitions and all equitable rights and ownership, thereto, that include but not only exclusive of, the metes and bounds survey; water well, pump, and storage tank; septic system and drain field; all commissioned by the Dosts and paid for by the Dosts with the Dosts’ own personal monies; partition, zoning, and all other land development approvals performed and paid for by the Dosts; the Dosts own 50% of the water

rights in a shared ownership agreement with the owners of Parcel 1 of the water well, pump and storage tank located on the Dost-owned Parcel 2, the Dosts also owning all timber rights, and all other equitable rights consisting of the Dosts work and twenty-two years of maintenance of land and domicile known as PARCEL 2 OF PARTITION PLAT NO. 1997-32, RECORDED AUGUST 29, 1997, FEE NO. 97-09337, IN COLUMBIA COUNTY, OREGON. A.P.N. #: 01-08-2-3215-010-00301, also known by the address 51923 MT VIEW ROAD SCAPPOOSE, OREGON 97056. [REFER TO THE “RENUNCIATION AND REBUTTAL OF MORTGAGE ELECTRONIC REGISTRATION SYSTEMS, INC (MERS)” FOR THE METES AND BOUNDS, THIS DOCUMENT, THE ENTIRETY OF WHICH IS INCORPORATED HEREIN BY REFERENCE.] Kenneth W. Dost owns the architectural design, design development, and working drawings/blueprints, as it is his design and work, along with all coordination and building department submittals and permitting, bearing all the costs and fees himself. Both, Kenneth W. Dost and Michele A. Dost have considerable equitable interests for personal time spent with construction coordination.

This expression of freedom and liberty, exercised in a prudent and responsible manner, was all stolen by the purposeful and malicious acts of Mr. Charles O. Moore, the deceptive trade practices of Ownit Mortgage Solutions, William David Dallas, CEO and Director of Ownit, in collusion with Merrill Lynch and by the abandonment of lending standards (which was the catalyst that crashed the economy), and via false designations and misleading representations of Fannie Mae and Freddie Mac, Nationsbank, NA (Bank of America), Mortgage Electronic Registration Systems, Inc. (MERS) fashioned the deception. Untold millions were lulled into a false belief that they were engaging in a mortgage loan to real property transaction. In fact and truth, it is a publicly staged illusion to conceal the real and true nature of the transaction, and it is an act of theft that stole into commerce my public personality, my derivative non-human unregistered trade name, my signature, and everything I ever owned, now own, or will own as the enslaved digital/electronic tradeable business objects such that the only reason I exist at all is to serve to the pleasure and profits of foreign agent law firms, the business of banking, held together in union with British Commonwealth through the union of Ireland and Scotland to England.

My family and I have suffered 19 years under the lawless tyranny of foreign agent intellectual property law firms and the business of banking, their corruption and deception of government, their corruption of the judicial system, and their poisoning the public’s mind by lies and deceptive trade practices. I am the inventor of my life, robbed of my freedoms and liberties by rigged and fixed patents, ambiguity of law and the British Commonwealth. There can be no justice in an environment where there is no truth! How can there be when the practitioners of law and its associations are the very ones who have engineered this environment of lies and deceptions.

WHEREAS, it is the wish and desire of Kenneth W. Dost/KENNETH W. DOST, Kenneth William Dost/KENNETH WILLIAM DOST, and any and all other spelling variations, including the names opposite the spelling, including the initials KWD, to be free from the evils of the British Commonwealth exercised by the treasonous acts of foreign agent intellectual property attorneys and their collusion with the business of banking.

WHEREAS, I do not believe it was the intent of Congress to hand over the freedoms and liberties of the people of this nation, and all ownership of everything, to the capricious whim of foreign agent law firms and associations, thereto, for that would be treason. I am an American, born on American soil with God-given, unalienable rights of freedoms and liberties, that this government, formed as one under nation under God, has an oath and duty to protect.

NOW THEREFORE, I, Kenneth W. Dost/KENNETH W. DOST merge with, in, and to Kenneth William Dost/KENNETH WILLIAM DOST, in every possible manner, that it the merged union of body with soul, matter with form, simultaneously upon such merger is reborn the human soul, Kenneth DOST. Two substrates – body/matter and soul/form brought together in merged union and a private energy plant, transferring absolute rights, title, and interest thereto.

**DECLARATION OF THE LIVING EXISTENCE OF Kenneth William Dost
CERTIFICATE OF AUTHORITY**

I was born on June 9, 1964, at St. Ann's Hospital in Cleveland, Ohio (closed in 1973), to Kathleen Marie Geiger, under the temporary residency of DePaul Maternity and Infant Home (closed its doors in 1994), under the direction of the Sisters of Charity of Saint Augustine. On June 26, 1964, a notice of separation was given by way of a convertible return receipt named a Certificate of Birth, State of Ohio File No. 19645xxxx.

I am the one with the legal name, Kenneth William Dost, accorded to me by the order of Judge Frank J. Merrick, Cuyahoga County, Ohio Probate Court, in a Final Order of Adoption Decree, therein stated, *'that the name of said child be changed to Kenneth William Dost'*, dated January 31, 1967, Doc. 689, NO. 690637. I am the Principal Owner belonging to an amended Certificate of Birth, dated June 26, 1964, and the Sole Beneficial Stakeholder of, KENNETH WILLIAM DOST, an Industrial Property, private corporation, and vessel of the United States of America, established under W Fletchers Cyclopedia: Private Law of Corporation or other private laws similar thereto.

This pledge is actually more of a borrowing of soul's energy which could have been revoked at the age of eighteen, had I possessed the intellectual knowledge and understanding to do so.— *'Someday He will vindicate Himself, rendering to every man according to his works'* as taught in Corinthians 5:10. I did not, I do though now at an age of fifty-five. There is some who would prefer government would prefer a 'secret' remain a secret, continuing to milk the constant undiminishing constant value of soul's energy, that is credit, capital, equity and production of forms' labor. But once truly known and understood, the government has a duty and oath to 'secure the Blessings of liberty' for the posterity, a Republic, formed as 'one nation under God.'

The Laws of Nature and Nature's God are self-evident truths upon which the United States of America Declared its Independence, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.

Such are man's natural rights, granted to me by nature herself, sacred, as is their origin, and inviolable. A right which, in its primary and strictest sense, belongs to each person as a human being in a state of nature. Re Morgan, 26 Colo 415, 58 P 1071; Bednarik v Bednarik, 18 NJ Misc 633, 16 A2d 80. A fundamental right actually guaranteed by the constitution. 16 Am J2d Const L § 330. A right entitled to constitutional protection in addition to rights protected under the specific guaranty safeguarding a person in his life, liberty, or pursuit of happiness; for example the affection between parent and child, Lacher v Venus, 177 Wis 558, 188 NW 613, 24 ALR 403

Liberty, as the word is used in the United States Constitution, means not only freedom of the citizen from servitude and restraint, but it is deemed to embrace the right of every man to be free in the use of his powers and faculties, and to adopt and pursue such avocation or calling as he may choose, subject only to the restraints necessary to secure the common welfare. There can be no liberty, protected by government, that is not regulated by such laws as will preserve the right of each citizen to pursue his own advancement and happiness in his own way, subject only to the restraints necessary to secure the same right to others. The fundamental principle upon which liberty is based, in free and enlightened government, is equality under the law of the land. Braceville Coal Co. v People, 147 111 66, 35 NE 62. All things are created and governed with a view to man, to the development of his life and his intelligence, and to the satisfaction of his needs (Aristides, "Apol.")

KENNETH WILLIAM DOST, an industrial property, has as its objects: patents, utility models, industrial designs, trademarks, service marks, trade names, and indications of source or appellations of origin. A non-human producer of labor and energy, in not only industry and a vessel in commerce, but to the agriculture and extractive industries for example, wines, grain, tobacco leaf, fruit, cattle, minerals, mineral waters, beer, flowers, and flour.' An American National incorporated into the American Union which is the inseparable United States of America, as a member nation of the 1883 Paris Industrial Properties Protection Convention, as revised at

Brussels on December 14, 1900, at Washington on June 2, 1911, at The Hague on November 6, 1925, at London on June 2, 1934, at Lisbon on October 31, 1958, and at Stockholm on July 14, 1967, and as amended on September 28, 1979.

I am a free and intelligent being created in the image of God. I have a dignity and worth vastly superior to the material and animal world over which I am commanded by God to take dominion so I can know, love, and worship my Creator so that He would be glorified. I was made for that end, which I can only attain perfectly in the future, immortal, and never-ending life to which I am destined. I am duty bound to strive to fulfill the designs of my Creator, and because of these obligations I am invested with rights, God-given and primordial, antecedent to the State and independent of it. *"From the fact that God has created the universe, it shows that He must also govern it; for just as the contrivances of man demand attention and guidance, so God, as a good workman, must care for His work."* (St. Ambrose, "De Offic. minist.")

'*God of God*' is a Divine Simplicity that in God, He "who possesses" and "*what is possessed*" be the same, and it is same Divine Simplicity God placed in my creation, "*Before I formed you in the womb, I knew you, and before you were born, I consecrated you.*" Jeremiah 1:5. A real physical essence in body and soul, matter and form, God gave me my faculties and liberty in order that I might freely work for the accomplishment of my destiny according to His purposes for His glory (Romans 8:28). By His hand, I am vested with rights, God-given and primordial, antecedent to the State and independent of it. These natural rights, granted to me by nature herself, sacred, as is their origin, and inviolable.

A right which, in its primary and strictest sense, belongs to each person as a human being in a state of nature. Re Morgan, 26 Colo 415, 58 P 1071; Bednarik v Bednarik, 18 NJ Misc 633, 16 A2d 80. A fundamental right actually guaranteed by the constitution. 16 Am J2d Const L § 330. A right entitled to constitutional protection in addition to rights protected under the specific guaranty safeguarding a person in his life, liberty, or pursuit of happiness; for example the affection between parent and child, Lacher v Venus, 177 Wis 558, 188 NW 613, 24 ALR 403.

I am, Kenneth William Dost/KENNETH WILLIAM DOST, Kenneth W. Dost/KENNETH W. DOST, and Kenneth Dost/KENNETH DOST, indwelt by the Holy Ghost, with relations of the sanctified and adopted soul with the Three Persons of the Blessed Trinity. With the Father, the Author and Giver of grace; with the Incarnate Son, the meritorious Cause and Exemplar of my adoption; and especially with the Holy Ghost, the Bond of our union with God, and the infallible Pledge of my inheritance. In this world we are not in name only but in very fact the sons of God (1 John 3:1), being born anew (1 John 3:7) and having the charity of God infused in our hearts by the Holy Ghost who is given to us (Romans 5:5). 'One reason therefore why God permits sin is that man may arrive at once at a consciousness of righteousness and of his own inability to attain it, and so may put his trust in God' (Anon. epis. ad Diog)

The Divine Sonship of Jesus on the one hand by the indwelling presence of His Spirit, and human adoption on the other — immeasurably below the former and above the latter. Human adoption may modify the social standing but adds nothing to the intrinsic worth of an adopted child. Divine adoption, on the contrary, works inward, penetrating to the very core of my life, renovating enriching, transforming it into the likeness of Jesus, "the firstborn among many brethren".

It cannot, of course, be more than a likeness, an image of the Divine Original mirrored in our imperfect selves. There will ever be between our adoption and the filiation of Jesus the infinite distance which separates created grace from hypostatical union. And yet, that intimate and mysterious communion with Christ, and through Him with God, is the glory of our adopted sonship: "And the glory which thou hast given me, I have given to them — I in them and thou in me" (John 17:22, 23).

I am begotten, born of God. He is my Father, but in such wise that I may call myself, and truly are, His child, a members of His family, brothers of Jesus Christ with whom I partake of the Divine Nature and claim a share in the heavenly heritage. This divine filiation, together with the right of co-heritage, finds its source in God's own will and graceful condescension.

"The Three Persons of the Blessed Trinity, the Father, the Son and the Holy Ghost", says St. Augustine (Tract 76; In Joan), "come to us as long as we go to Them, They come with Their help, if we go with submission. They come with light, if we go to learn; They come to replenish, if we go to be filled, that our vision of Them be not from without but from within, and that Their indwelling in us be not fleeting but eternal." And St. Paul (1 Corinthians 3:16, 17), "Know you not that you are the temple of God and that the Spirit of God dwelleth in you? But if any man violate the temple of God, him shall God destroy.

"For the temple of God is holy, which you are." From what has been said, it is manifest that my supernatural adoption is an immediate and necessary property of sanctifying grace. The primal concept of sanctifying grace is a new God-given and Godlike life superadded to our natural life. By that very life we are born to God even as the child to its parent, and thus we acquire a new filiation. This filiation is called adoption for two reasons: first, to distinguish it from the one natural filiation which belongs to Jesus; second, to emphasize the fact that we have it only through the free choice and merciful condescension of God. As from our natural filiation many social relations crop up between us and the rest of the world, so our divine life and adoption establish manifold relations between the regenerate and adopted soul on the one hand, and the Triune God on the other.

Jeremiah 29:13-14 *"You will seek me and find me, when you seek me with all your heart. I will be found by you, declares the Lord, and I will restore your fortunes and gather you from all the nations and all the places where I have driven you, declares the Lord, and I will bring you back to the place from which I sent you into exile."*

Romans 1:20-2 - Nature manifests so clearly the power and the divinity of God that failure to recognize it is inexcusable. Hence God in His anger gives man over to the desires of his heart, to a reprobate sense.

Matthew 7:7-9 - Ask, and the gift will come; seek, and you shall find; knock, and the door shall be opened to you. Everyone that asks, will receive; that seeks, will find; that knocks, will have the door opened to him.

Evil and suffering thus tend to the increase of merit (XIV, xxxvi, xxxvii in "P.L.", 1058, 1059), and in this way the function of justice becomes an agency for goodness (Tertullian, c. "Adv. Marc.", II, xi, xiii in "P.L.", 324 sq.).

Hence, if the universe be considered as a whole it will be found that that which for the individual is evil will in the end turn out to be consistent with Divine goodness, in conformity with justice and right order (Origen, Against Celsus IV.99; St. Augustine, "De ordine")

The chief proof of this doctrine is derived from the adaptation of means to an end, which, since it takes place in the universe comprising a vast multitude of relatively independent individuals differing in nature, function, and end, implies the continuous control and unifying governance of a single supreme Being (Minucius Felix, "Octavius", xvii in Halm)

The fact that God has created the universe, it shows that He must also govern it; for just as the contrivances of man demand attention and guidance, so God, as a good workman, must care for His work (St. Ambrose, "De Offic. minist.")

Evil and suffering thus tend to the increase of merit (XIV, xxxvi, xxxvii in "P.L.", 1058, 1059), and in this way the function of justice becomes an agency for goodness (Tertullian, c. "Adv. Marc.", II, xi, xiii in

"P.L.", 324 sq.). Evil, therefore, ministers to God's design (St. Gregory the Great, op. cit., VI, xxxii in "P.L.", LXXV, 747; Theodoret, "De prov. orat.", v-viii in "P.L.", LXXXIII, 652 sq.).

Hence, if the universe be considered as a whole it will be found that that which for the individual is evil will in the end turn out to be consistent with Divine goodness, in conformity with justice and right order (Origen, Against Celsus IV.99).

Providence is the Divine Intelligence itself as it exists in the supreme principle of all things and disposes all things; or, again, it is the evolution of things temporal as conceived and brought to unity in the Divine Intelligence (Thomas, Summa I, G. xxii, a.1)

Providence, therefore, pertains primarily to the Intelligence of God, though it implies also will (I, Q. xxii, a. 1, ad 3 urn), and hence is defined by St. John Damascene as "the will of God by which all things are ruled according to right reason" ("De fid. orth.", i, 3 in "P.G.", XCIV, 963, 964)

A vessel that for over fifty years has been under the control of pirates and thieves of the British Commonwealth, is retaken and reflagged for its last voyage home It is the oath and duty of the Commissioner of Patents and Trademarks to enter to register the existence of Kenneth William Dost, and all other acts necessary for the repatriation and passage into protective safe harbor.

If you have questions about the form(s) or the due date(s) shown, you can call us at the phone number or write to us at the address shown at the top of this notice. If you need help in determining your annual accounting period (tax year), see Publication 538, *Accounting Periods and Methods*.
