WHEREAS, Assignors have invented certain new and useful improvements in SURVEYING TIBIAL TRIALS FOR KNEE ARTHROPLASTY, set forth in a United States Provisional Application which was filed on December 11, 2014 under Serial No. 62/090,660; and

WHEREAS, Think Surgical Inc., a corporation organized under and pursuant to the laws of California, having its principal place of business at 47320 Mission Falls Court, Fremont, California 94539, UNITED STATES OF AMERICA (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said inventions and said Application for Letters Patent of the United States, and in and to any Letters Patent of the United States to be obtained therefore and thereon.

AND for the same consideration, Assignors hereby covenant and agree to and with Assignee, its successors, legal representatives and assigns, that Assignors will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Provisional or Letters Patent for said inventions, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said inventions, or said Patent application for Provisional or Letters Patent, or any proceeding in connection with any Letters Patent or applications for Provisional or Letters Patent for said inventions in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Provisional or Letters Patent, or any reissue, reexamination or extension of any Provisional or Letters Patent, to be obtained thereon, is lawful and desirable.
