ASSIGNMENT OF INVENTION AND U.S. PATENT APPLICATIONS

WHEREAS, WE, David M. Stravitz, of 16 Park Avenue, Unit 14A, New York, NY 10016, and Alison L. Diamond, 1200 Clinton Street, Apt. 427, Hoboken, NJ 07030 (hereinafter referred to as the “Assignors”) have invented certain new and useful improvements in BABY AND ADULT- SAFE WASTE CONTAINER WITH BAG HANDLING ODOR CONTROL ASSEMBLY, and

for which a provisional patent application was filed in the USPTO on February 3, 2020, and assigned Ser. No. 62/969,329; and

for which a nonprovisional patent application in the USPTO is about to be filed; or

for which a nonprovisional patent application was filed in the USPTO on August 11, 2020, and assigned Ser. No. 16/990,012 (each of us hereby grants our attorney the right to fill in the filing date and Ser. No. of the nonprovisional patent application when known);

WHEREAS, Dooli Products, LLC, a limited liability company duly organized and existing under the laws of the State of Delaware and having a mailing address at c/o David M. Stravitz, 16 Park Avenue, Unit 14A, New York, NY 10016 (hereinafter referred to as the “Assignee”), is desirous of obtaining the entire right, title and interest in, to and under the invention and the patent applications and any U.S. and foreign patent applications corresponding thereto or claiming priority thereof;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to each of us, and/or other good and valuable consideration, the receipt of which is hereby acknowledged, We, the Assignors, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over unto the Assignee, its successors, legal representatives and assigns, the entire right, title and interest in, to and under the invention and the U.S. patent applications, and all patent applications claiming priority thereof and divisionals, reissues, renewals and continuations thereof, and all patents of the United States which may be granted thereon and all reissues and extensions thereof, and all applications for industrial property protection, including, without limitation, all applications for patents, utility models and designs which may hereafter be filed for the invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from the U.S. patent applications under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors’

certificates and designs which may be granted for the invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and

WE HEREBY authorize and request the Commissioner for Patents of the United States, and any official of any country or countries foreign to the United States whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the Assignee, its successors, legal representatives and assigns, in accordance with the terms of this instrument; and

WE HEREBY covenant and agree that we have full right to convey the entire interest herein assigned, and that we have not executed, and will not execute, any agreement in conflict herewith; and

WE HEREBY further covenant and agree that we will communicate to the Assignee, its successors, legal representatives and assigns, any facts known to us respecting the invention, and testify in any legal proceedings, sign all lawful papers, execute all design, divisional, continuing, reissue and foreign applications, make all rightful oaths, and generally do everything possible to aid the Assignee, its successors, legal representatives and assigns, to obtain and enforce proper protection for the invention in all countries.

IN TESTIMONY WHEREOF, each of us is below and providing the day and year opposite the respective signature.
