ASSIGNMENT

WHEREAS, I, the undersigned inventor (or one of the undersigned joint inventors), of residence as listed, having invented certain new and useful improvements as below entitled, for which application for United States Letters Patent has been made, the said application having title "Wireless System for Monitoring and Analysis of Skiing", having been executed on date herewith.

AND WHEREAS, IPComm is Assignee of said patent application having title "Wireless System for Monitoring and Analysis of Skiing

AND WHEREAS, IPComm with its principal office at 806 Ocean Crest Cardiff, together with any successors, legal representatives, or assigns thereof wants to acquire the entire right, title and interest in and to the said invention(s), and to the said application and any Letters patent that may issue thereon;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I/We have sell, assigned, transferred and set over, and do hereby assign, transfer and set over to said IPComm, together with their successors and assigns, the entire right, title and interest in and to the said invention substitutions, continuations, and extensions thereof; and I/we hereby authorize and request the Commissioner of Patents, and any officials of foreign countries whose duty it is to issue patents on applications, to issue all patents for said invention, or patents resulting therefrom, insofar as our interest is concerned, to said IPComm.

I/WE ALSO HEREBY sell and assign to IPComm, together with their successors and assigns, our foreign rights to the invention disclosed in said application, in all countries of the world, including the right to file applications and obtain patents under the terms of the International Convention for the Protection of industrial Property, and of the European patent Convention, and further agree to execute any and all patent applications, assignments, affidavits, and any other papers in connection therewith necessary to perfect such patent rights;

AND I/WE HEREBY covenant that I/we have full right to convey the entire interest herein assigned, and that I/we have not executed, and will not execute, any agreement in conflict herewith;

AND I/WE HEREBY further covenant that I/we will communicate to said IPComm, and or to it's successors, assigns and legal representatives, any facts known to us respecting said invention, and at the expense of said IPComm, testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, reissue and substitute applications, make all lawful oaths, and generally do everything possible to aid said IPComm, together with it's successors, assigns and nominees to obtain and enforce proper patent protection for said invention in all countries.

IN WITNESS WHEREOF, I/We hereunto set our hands this day and year:
