## ASSIGNMENT

WHEREAS, I, Joshua Earl Beech, of Johns Island, South Carolina, have invented a certain invention, entitled SEAWALL CONTRUCTION USING CONCRETE FORMS, for which I am making application for Letters Patent of the United States, said application having been executed by me on the 11 day of August, 2020 and as described in U.S. Patent Application No. 16/991,781, filed on August 12, 2020, entitled "SEAWALL CONSTRUCTION USING CONCRETE FORMS," which application is referred to herein as "the patent application."

WHEREAS, Beech Contractors, LLC, a limited liability company organized under the laws of the State of South Carolina, having a place of business at 948 Wappoo Road, Suite B, Charleston, SC 29407, desires to acquire an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I, Joshua Earl Beech hereby sell, assign and transfer to Beech Contractors, LLC, the full and exclusive right, title and interest in and to said invention, patent application and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said invention, patent application and letters patent in this or any foreign country, and all corresponding non-provisional applications, divisions, continuations, continuations-in-part, reissues and extensions thereof, to be held and enjoyed by Beech Contractors, LLC, for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted by the United States or any foreign country, as fully and entirely as the same would have been held by me had this assignment and sale not been made, and covenant that I have full right so to do, and agree that I will communicate to Beech Contractors, LLC, or its successors and assigns, any facts known to me respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and do everything possible to aid Beech Contractors, LLC, its successors and assigns to obtain and enforce proper patent protection for said invention in the United States or any foreign country.

I hereby grant the law firm of Klarquist Sparkman, LLP, the power to insert on this

Assignment any further information which may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.

Executed at the place and date opposite my signature below.
