**ASSIGNMENT AND AGREEMENT
ORISE RESEARCH PARTICIPANTS**

The U.S. Army Research Laboratory (ARL) has a formal Memorandum of Agreement with the U.S. Department of Energy (DOE) for participation in the Oak Ridge Institute for Space and Education (ORISE) program. The Oak Ridge Associated Universities (ORAU) operates the ORISE for the DOE and administers educational appointments for students, faculty, teachers and postgraduates (hereinafter referred to as Participants) at sponsored-approved host facilities. The terms of a Participant's appointment are considered to be educational in nature. In recognition of the statutory intent set forth in 35 U.S.C. §212, neither ORAU nor the Federal Government are granted any rights to inventions made by the Participant during said Participant's appointment and ownership of inventions initially resides with the Participant.

If, as a Participant under the ORISE program, you do not intend to pursue patent protection privately and voluntarily desire to assign your invention to the U.S. Government to become eligible to share royalties from the Government's licensing of your invention pursuant to 15 U.S.C. §3710c and Army policy, please complete and sign the bottom portion of this form. **The Participant is encouraged to engage his or her own lawyer for counseling regarding the rights and obligations the Participant has with respect to the invention identified herein.**
