CONFIRMATORY ASSIGNMENT

Whereas, We, Carl Zeiss AG, a corporation organized and existing under the laws of Germany, having its principal office at Carl-Zeiss-Straße 22, 73447 Oberkochen, Germany (hereinafter referred to as "ASSIGNOR"), is/will become the assignee of record of the entire right, title and interest in and to U.S. patent application no. 15/064,250 filed on March 8, 2016 for United States Letters Patent and entitled

MICROSCOPE SYSTEM AND METHOD FOR AUTOMATED ALIGNMENT OF A MICROSCOPE

(hereinafter referred to as the APPLICATION);

Whereas, Carl Zeiss Meditec AG, a corporation organized and existing under the laws of Germany, having its principal office at Goeschwitzer Strasse 51-52, 07745 Jena, Germany (hereinafter referred to as ASSIGNEE), is desirous to acquire the entire right, title, and interest in and to the APPLICATION and the invention disclosed therein, and to any United States Letters Patent to be obtained therefor;

Now, therefore, We, the above named ASSIGNOR, hereby confirm that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, our full and exclusive right to the APPLICATION and in and to the invention disclosed therein, has been transferred unto said ASSIGNEE, its successors, assigns, nominees or other legal representatives, and by this Agreement, We hereby do sell, assign, and transfer, any and all rights, interests, or title in and to the invention which may not have been previously transferred or which arose post-assignment, including, but not limited to (a) the APPLICATION, and all foreign counterparts, all international stage applications, national stage applications, divisions, reissues, continuations in whole or in part, substitutions, renewals and extensions thereof derived from said APPLICATION (including patents, utility models, and industrial designs), (b) any and all Letters Patent, utility model registrations, design registrations, and other protective rights, which may be granted therefrom in the United States and its territorial possessions, in any other foreign country or region, and under any treaty or convention, (c) any and all priority rights under 35 U.S.C. §119, under the International Convention for the Protection of Industrial Property (Paris Convention), under the Patent Cooperation Treaty (PCT), under the European Patent Convention, and under the laws and rules of all foreign countries.

Said right, title and interest to be held and enjoyed by said ASSIGNEE for its own use and enjoyment and for the use and enjoyment of its successors and assigns to the full end of the term for which said Letters Patent and patents are granted;

We will execute without further consideration all papers deemed necessary by the ASSIGNEE in connection with the APPLICATION and any foreign applications when called upon to do so by the ASSIGNEE;

And, We hereby covenant that We have full right to convey the entire interest herein assigned, and that We have not executed and will not execute any agreement in conflict herewith, and that no assignment, sale, or encumbrance has been or will be made or entered into which is or would be in conflict with this assignment and sale.
