PATENT ASSIGNMENT

WHEREAS, **Den-Mat Holdings, LLC**, a limited liability company organized under and pursuant to the laws of Delaware having its principal place of business at **1017 W. Central Avenue, Lompoc, California 93436** (hereinafter "Assignor") is the sole and exclusive owner of all right, title and interest in and to the technology and inventions disclosed in the patent applications listed on the attached Schedule (hereinafter "Intellectual Property");

WHEREAS, **Viax Dental Technologies, LLC**, a limited liability company organized under and pursuant to the laws of Florida having its principal place of business at **4400 Biscayne Boulevard, 14th Floor, Miami, Florida 33137** (hereinafter "Assignee"), wishes to acquire from Assignor all right, title and interest in and to the Intellectual Property;

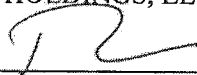

NOW, THEREFORE, for good and valuable consideration of the sum of one dollar US (US \$1.00), the receipt and sufficiency of which is hereby acknowledged, Assignor hereby assigns to Assignee the entire right, title and interest for the United States of America and all other countries, without limitation, in and to: (a) the Intellectual Property; (b) all original, divisional, continuation, continuation-in-part, inventor certificate, utility model, provisional, utility, substitute, reexamination, reissue and extension applications and patents applied for, issued or granted therefor, or filed thereafter in the United States of America and in all other countries, for, and claiming priority to or benefit of, the Intellectual Property pursuant to any law or treaty (hereinafter "Intellectual Property Families"); and (c) all claims and/or causes of action for damages by reason of past infringement with the right to sue for and collect the same for Assignee's own use or for the use of Assignee's successors, assigns and legal representatives, as appropriate; and the Commissioner of Patents and Trademarks is hereby authorized and requested to issue all patents of the Intellectual Property Families applied for or issued therefor in the United States of America to Assignee, as assignee of the entire right, title and interest therein; and Assignor for itself and its legal representatives, successors and assigns does hereby agree and covenant, without further remuneration, to execute and deliver all Intellectual Property Families and all assignments thereof to said Assignee or its legal representatives, successors and assigns, as appropriate, to communicate to Assignee or its legal representatives, successors and assigns, as appropriate, all facts known to the undersigned respecting the Intellectual Property

Families, whenever requested, to testify in any interferences or other legal proceedings in which any of the applications or patents of the Intellectual Property Families may become involved, to sign all lawful papers, to make all rightful oaths, and to do generally everything necessary to aid Assignee or its legal representatives, successors and assigns, to obtain and enforce patent protection for the Intellectual Property Families in the United States of America and all other countries, expenses incident to said applications to be borne and paid by Assignee;

AND FOR THE SAME CONSIDERATION, Assignor also, at the time of execution and delivery of these presents, hereby covenants, agrees, and warrants that Assignor is and believes it is the sole and lawful owner of the entire right, title and interest in and to the Intellectual Property, that the same is and that Assignor believes the same is free and clear of any and all liens and encumbrances including but not limited to licenses and conveyances thereof, and that the Assignor has and believes it has good and full right and lawful authority to sell and convey the same in the manner set forth herein;

IN WITNESS WHEREOF, ASSIGNOR has caused these presents to be signed by its duly appointed trustee having full authority to convey its property; and ASSIGNEE has caused these presents to be signed by its duly appointed trustee.
