**COMBINED ASSIGNMENT AND DECLARATION FOR UTILITY OR
DESIGN APPLICATION USING AN APPLICATION DATA SHEET**

As a below named inventor, I hereby declare:

I believe I am the original inventor or an original joint inventor of a claimed invention for which a patent is sought on the invention entitled **BALANCED HEATING OF ELECTRO-OPTIC DEVICE USING ACTIVE ELECTRODES**, the application of which is attached hereto.

The above-identified application was made or authorized to be made by me.

I acknowledge the duty to disclose to the United States Patent and Trademark Office (the Office), all information which is known by me to be material to patentability as defined in Title 37, Code of Federal Regulations (C.F.R.), Section 1.56.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. § 1001 by fine or imprisonment of not more than five (5) years, or both.

I have also contributed to the development of the subject matter disclosed in United States Provisional Patent Application No. 62/885,491, entitled **BALANCED HEATING OF ELECTRO-OPTIC DEVICE USING ACTIVE ELECTRODES**, which was filed on August 12, 2019.

Gentex Corporation, a corporation of the state of Michigan, having a place of business at 600 N. Centennial Street, Zeeland, Michigan 49464 (hereinafter referred to as Gentex), is desirous of acquiring the entire right, title and interest in and to the invention and the subject matter of the above-identified provisional application and in and to any patent that may be granted therefor in the United States and in any and all foreign countries.

In consideration of good and valuable considerations, I hereby sell, assign and transfer to Gentex the full and exclusive right, title and interest to the subject matter of the above provisional application and the invention in the United States and in all foreign countries and the entire right, title and interest in and to any and all patents which may be granted therefor in the United States and in any and all foreign countries and in and to any and all divisions, reissues, continuations, continuation-in-part, and extensions thereof including the full right to claim for any such applications the benefits of the International Convention, and including the right to obtain a reasonable royalty pursuant to 35 U.S.C. § 154(d) upon publication of any such United States applications.

I hereby authorize and request the Patent Office Officials in the United States and in any and all foreign countries to issue any and all of such patents, when granted, to Gentex as the owner of the entire right, title and interest in and to the same, for the sole use and benefit of Gentex, its successors and assigns.

I agree to communicate to Gentex or its representatives any facts known to me respecting the invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuation-in-part, substitution, renewal, and reissue applications, execute all necessary assignment papers to cause any and all of the patents to be issued to Gentex, make all rightful oaths and generally do everything possible to aid Gentex, its successors and assigns, to obtain and enforce proper protection for the invention in the United States and in any and all foreign countries.
