ASSIGNMENT

For good and valuable consideration receipt of which is acknowledged by ASSIGNOR, who has invented certain new and useful "SCREW" hereinafter referred to as the INVENTION, for which I have executed an application for Letters Patent to be filed in the United States Patent and Trademark Office.

WHEREAS, Kobert & Company, Inc. dba L.H. Dottie Company with headquarters located at 6131 Garfield Ave., Commerce, CA 90040 hereinafter referred to as the ASSIGNEE, desires to acquire the entire right, title and interest for the United States and elsewhere throughout the world in and to said invention and application, including any and all divisionals, continuations, reissues or re-examinations, all rights of priority under the terms of the International Convention for the Protection of Industrial Property, and any and all Letters Patent which may be granted thereon, including any and all renewals, reissues and prolongations thereof, hereinafter PATENT RIGHTS.

NOW, WITNESSETH THIS that for and in consideration of the sum of one dollar (\$1.00) and other good and valuable consideration, the receipt, adequacy and sufficiency of which are hereby acknowledged, said ASSIGNOR hereby assigns, sells and transfers to said ASSIGNEE, its assigns and legal representatives, the entire right, title and interest for the United States and elsewhere throughout the world, in and to said invention and application, including any and all divisions and continuations thereof, all rights of priority under the terms of the International Convention for the Protection of Industrial Property, and any and all Letters Patent which may be granted thereon, including any and all renewals, reissues and prolongations thereof, with all the rights, powers, privileges, and advantages in any way arising from or pertaining thereto, for and during the term or terms of any and all such Letters Patent when granted, including any and all renewals, reissues and prolongations thereof, for the use and benefit of said ASSIGNEE and its assigns and legal representatives, in as ample and as beneficial a manner for all intents and purposes as said ASSIGNOR might or could have held and enjoyed the same had this assignment not been made.

ALSO, said ASSIGNOR hereby states that the above-identified application was made or authorized to be made by me and that I believe that I am the original inventor or an original joint inventor of a claimed invention in the application. I hereby acknowledge that any willful

false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment. I agree to execute all papers necessary to file said applications in the United States and elsewhere throughout the world, and to assign the same to said ASSIGNEE, or any assignee acquiring title to said invention, and to execute any other papers that may be needed in connection with filing said application and securing any and all Letters Patent thereon.

ASSIGNOR authorizes ASSIGNEE to acquire all PATENT RIGHTS to the INVENTION and requests the Commissioner of Patents to issue a Letters Patent on said application, and on any and all divisionals, continuations, reissues and re-examinations thereof, to said ASSIGNEE, its assigns and legal representatives, in accordance herewith.
