Exhibit A - Form of Patent Assignment

PATENT ASSIGNMENT

THIS PATENT ASSIGNMENT (this "*Assignment*") is entered into and made effective this 30<sup>th</sup> day of December, 2013, by and between CLEARCOUNT MEDICAL SOLUTIONS, INC., a Delaware corporation ("*Assignor*"), and PATIENT SAFETY TECHNOLOGIES, INC., a Delaware corporation ("*Assignee*").

WHEREAS, Assignor and Assignee are parties to that certain Patent Purchase and License Agreement dated of even date herewith (the "*Purchase Agreement*") pursuant to which Assignor has conveyed, transferred and assigned to Assignee the Assigned Patent Rights (as defined in the Purchase Agreement), which Assigned Patent Rights include without limitation the patents and patent applications set forth on Schedule A hereto; and

WHEREAS, under the terms of the Purchase Agreement, Assignor has agreed to execute and deliver this Assignment for recording with governmental authorities including, but not limited to, the United States Patent and Trademark Office.

NOW, THEREFORE, in consideration of the execution of the Purchase Agreement, the payment of the consideration stipulated in the Purchase Agreement, the mutual promises and covenants hereinafter set forth, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound thereby, Assignor and Assignee hereby agree as follows:

1. (a) Assignor hereby irrevocably, without reservation, assigns, transfers, conveys and delivers to Assignee (and to Assignee's successors, legal representatives and assigns), all of Assignor's worldwide rights, title and interests in, to and under the Assigned Patent Rights, including but not limited to those listed on Schedule A hereto including any continuation, continuation-in-part, divisional, reexamination, reissue and/or extension of such applications or patents, whether or not such patents have already issued and including all foreign counterparts and the priority rights provided by the International Convention, and including but not limited to all benefits, privileges, claims, causes of action, and remedies relating to or derived from the Assigned Patent Rights provided by the applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world, and any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to the Assigned Patent Rights; and (b) Assignee hereby accepts such assignment, transfer, conveyance, and delivery.

2. Assignor hereby authorizes the Commissioner for Patents and any other governmental officials to record and register this Assignment. Assignor hereby further authorizes and requests that the Commissioner for Patents and any official of any country, including without limitation in the United States and in countries foreign to the United States, whose duty it is to issue patents, certificates, or other evidence or forms of industrial property protection with respect to any of the Assigned Patent Rights to issue the same to the Assignee as the assignee of the entire interest therein and thereto.

3. Nothing set forth in this Assignment is intended to limit or otherwise limits the representations, warranties, covenants, agreements and indemnities made with respect to the Assigned Patent Rights in the Purchase Agreement.

4. Assignor hereby agrees to duly execute and deliver, or cause to be duly executed and delivered, such further instruments and do and cause to be done such further acts and things, including the filing of assignments, agreements, documents and instruments, as may be necessary or as Assignee may reasonably request in order to fulfill the purposes and intent of this Assignment.

5. This Assignment may be executed in several counterparts, each of which shall constitute an original and all of which, when taken together, shall constitute one agreement. The exchange of a fully executed Assignment (in counterparts or otherwise) by facsimile transmission or .pdf shall be sufficient to bind the parties to the terms and conditions of this Assignment.

6. This Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors, legal representatives, and assigns.

7. This Assignment and any claim, controversy, dispute or cause of action (whether in contract, tort or otherwise) based upon, arising out of or relating to this Assignment and the transactions contemplated hereby shall be governed by, and construed in accordance with, the laws of the United States and the State of Delaware without giving effect to the conflicts of laws principles thereof to the extent such principles would require or permit the application of the laws of another state.

8. No modification, amendment or waiver of any provision of this Assignment shall be effective unless it is in writing and signed by Assignee and Assignor.
