I, the undersigned, have agreed and hereby agree, that for good and valuable consideration, the receipt of which is hereby acknowledged, and in furtherance of my obligations to LEIA INC., a Delaware corporation, having its principal place of business in Menlo Park, California (hereinafter LEIA), to assign and transfer to LEIA, its successors and assigns, the entire right, title and interest, including the right of priority, in, to and under an application for a Patent entitled:

STATIC MULTIVIEW DISPLAY AND METHOD EMPLOYING COLLIMATED GUIDED LIGHT

Filing date: August 21, 2020 Application No.: 17/000,107

and the invention(s) and improvement(s) set forth therein, and any and all continuations, continuations-in-part (C-I-P's), divisionals, and renewals of and substitutes for said application for said Patent, and any and all other Patents of any countries thereto which may be granted thereon or therefor; and any reissues, or reexaminations, or extensions of said Patent.

I additionally authorize LEIA to file applications for Patent in my name in any country, to be held and enjoyed by LEIA, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by me had this assignment, and transfer not been made;

AND I hereby covenant that I have full right to convey the entire interest herein assigned, and that I have not executed and will not execute any agreement in conflict herewith, and I further covenant and agree that I will, each time a request is made, and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said invention(s) and improvement(s), said application and said Patent, to LEIA, its successors, assigns, nominees or legal representatives, and I agree to communicate to LEIA, or to its nominee, all known facts respecting said invention(s) and improvement(s), said application and said Patent, to testify in any legal proceedings, to sign all lawful papers, to execute all disclaimers and divisionals, continuations, C-I-P's, reissue and foreign applications, to make all rightful oaths and declarations, and generally to do everything possible to aid LEIA, its successors, assigns, nominees and legal representatives to obtain and enforce, for its or their own benefit, proper patent protection for said invention(s) and improvement(s) in any and all countries provided that the expenses which may be incurred by me in lending such cooperation and assistance are paid by LEIA;

AND I hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue to LEIA, as assignee of the entire right, title and interest, any and all Patents for said invention(s) and improvement(s), which may be issued and granted on or as a result of the application aforesaid, in accordance with the terms of this assignment.
